

large numbers of victims of extended power outages.

(c) Closure of Interstates and/or State highways for extended periods of time exceeding 48 hours.

(d) Power outages across a significant portion of the storm-affected area exceeding 48 hours.

(e) Closure of local government offices for extended periods of time exceeding 48 hours.

(f) State's need for a significant level of federal equipment and labor to address the impacts of the event.

2. FEMA will follow the guidelines in 44 CFR 206.48 when evaluating a request for a major disaster declaration as a result of a severe winter storm. FEMA will not include snow removal costs when calculating the per capita cost impacts.

C. Provisions for Snow Removal Assistance:

1. The following procedures are followed for determining if an area has experienced a record or near-record snowfall:

(a) The current and historic snowfall values shall be compared for the same time period.

(b) When NOAA's historical data shows that multiple stations exist for a county, the current snowfall should be compared to the highest historical snowfall record for that county.

(c) For counties that do not have NOAA reporting stations, a comparison of the snowfall values for reporting stations within adjacent counties or the nearest reporting station shall be used for designation purposes. However, data from a station in another State will not be used.

2. A county that does not receive a record or near-record snowfall, but is contiguous to a core county may be designated for snow removal assistance if it has snowfall equal to or greater than that of the designated core county.

3. All eligible applicants within a designated area, including private non-profit organizations, are eligible for snow removal assistance.

4. Snow removal assistance for snow removal, salting, and sanding of roads is only eligible if the area meets the record, near-record, or contiguous county designation criteria. Generally, FEMA will provide assistance for eligible costs for force account labor (overtime only), contract, equipment, materials, etc. for a continuous period of 48 hours. If applicants award contracts for a period greater than 48 hours, eligible funding is limited to 48 hours. This same procedure applies to all other snow removal related costs. The eligible funding will only cover reasonable

expenditures incurred for 48 hours of operations.

5. Applicants may use different 48-hour periods. Each district of a State-wide applicant (e.g., Department of Transportation) may have different 48-hour periods. All subdivisions of a local government must use the same 48-hour period.

6. The eligible time period may be extended 24 hours for the most extreme and anomalous conditions where snowfall quantities greatly exceed record amounts. To qualify for an extension, a significant number of the core counties within the State must experience snowfall that greatly exceeds the record amount. The time extension will be made for all designated counties within a state. Only the Assistant Director for Response and Recovery has the authority to extend the eligible time period.

7. In a major disaster declaration for a severe winter storm, snow removal assistance will not be approved by FEMA if the area does not meet the record, near record or contiguous county designation criteria. However, a very limited level of snow removal, incidental to the recovery, may be eligible for assistance. For example, snow removal that is necessary in order to access debris or for access to repair downed power lines may be eligible following a snowstorm that does not meet the record or near-record criteria.

8. Eligible snow removal costs will be reduced by the amount of snow removal insurance proceeds.

Dated: September 10, 2002.

John R. D'Araujo, Jr.,

Assistant Director, Response and Recovery Directorate.

GENERAL SERVICES ADMINISTRATION

Federal Supply Service

Standard Tender of Service

AGENCY: Federal Supply Service, GSA

ACTION: Notice of final implementation of interim 2 percent insurance related subcharge.

SUMMARY: The General Services Administration (GSA) has adopted an interim 2 percent "insurance related surcharge" requested by the freight motor carrier industry, hereinafter referred to as transportation service provider (TSP). This surcharge allows a TSP to recover escalating insurance premiums resulting from changes in the economy compounded by events of September 11, 2001. Notice of this adoption was published for comment in the **Federal Register** on May 9, 2002 (67 FR 31307), and comments were due by June 10, 2002. GSA received one comment. The comment was from the Government Relations Committee of the National Motor Freight Traffic Association, Inc., and it supported implementation of the surcharge. The 2 percent interim surcharge therefore is implemented as published in the attachment to 67 FR 31307. The provisions of the attachment also may be accessed at <http://www.kc.gsa.gov/fsstt/FRT/stos.htm> under the "What's New" item posted to the Web site on May 9, 2002.

DATES: *Effective Date:* May 1, 2002; *Expiration Date:* October 31, 2002.

FOR FURTHER INFORMATION CONTACT: Mr. Raymond Price, Transportation Programs Branch, by phone at 703-305-7536, or be e-mail at raymond.price@gsa.gov.

Dated: September 10, 2002.

Tauna T. Delmonico,
Director, Travel and Transportation
Management Division.

GENERAL SERVICES ADMINISTRATION

Federal Supply Service

GSA Standard Tender of Service (STOS), GSA National Rules Tender No. 100-D, Item 1300, Fuel Related General Rate Adjustment (FRGRA)

AGENCY: Federal Supply Service, GSA.

ACTION: Notice of final issuance of amendment to Item 1300 of the GSA STOS.

SUMMARY: The General Services Administration (GSA) is issuing in final an amendment to Item 1300, "Fuel Related General Rate Adjustment" (FRGRA), of GSA National Rules Tender No. 100-D, which is a part of the GSA STOS. This amendment was published in the **Federal Register** for comment on May 23, 2002 (67 FR 36192), and comments were due by June 24, 2002. GSA received one comment. The comment was from the Government Relations Committee of the National Motor Freight Traffic Association, Inc., and supported implementation of the fuel related surcharge. Item 1300 therefore is implemented as published in the attachment to 67 FR 36192, and may be accessed at <http://www.kc.gsa.gov/fsstt/FRT/stos.htm>.

FOR FURTHER INFORMATION CONTACT: Mr. Raymond Price, Transportation Programs Branch, by phone at 703-305-7536, or by e-mail at raymond.price@gsa.gov.

Dated: September 10, 2002.

BILLING CODE 6820-24-M

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Meeting of the Secretary's Advisory Committee on Regulatory Reform

AGENCY: Office of the Assistant Secretary for Planning and Evaluation,

Department of Health and Human Services.

ACTION: Notice of meeting.

SUMMARY: This notice announces a public meeting of the Department of Health and Human Services (HHS) Secretary's Advisory Committee on Regulatory Reform. As governed by the Federal Advisory Committee Act in accordance with section 10(a)(2), the Secretary's Advisory Committee on Regulatory Reform will advise and make recommendations for changes that would be beneficial in four broad areas: health care delivery, health systems operations, biomedical and health research, and the development of pharmaceuticals and other products. The Committee will review and advise on changes identified through regional public hearings, written comments from the public, and consultation with HHS staff.

All meetings and hearings of the Committee are open to the general public. The meeting agenda will allow some time for public comment. Additional information on the agenda and meeting materials will be posted on the Committee's Web site prior to the meeting (<http://www.regreform.hhs.gov>).

DATES: The final full meeting of the Secretary's Advisory Committee on Regulatory Reform will be held on Tuesday, October 1, from 9 a.m. to 5 p.m. and on Wednesday, October 2, from 8 a.m. to 3 p.m.

ADDRESSES: The hearing will be held in Room 800, Hubert H. Humphrey Building, 200 Independence Ave, SW., Washington, DC. To comply with security requirements, individuals who do not possess a valid Federal identification must present a picture identification, e.g., driver's license or passport upon entry to the Humphrey Building.

FOR FURTHER INFORMATION CONTACT: Margaret P. Sparr, Executive Coordinator, Secretary's Advisory Committee on Regulatory Reform, Office of the Assistant Secretary for Planning and Evaluation, 200 Independence Avenue, SW., Room 344G, Washington, DC, 20201, (202) 401-5182.

SUPPLEMENTARY INFORMATION: The Hubert H. Humphrey Building is in compliance with the Americans with Disabilities Act. Anyone planning to attend the meeting who requires special disability-related arrangements such as sign-language interpretation should provide notice of their need by Wednesday, September 25, 2002. Please make any request to Dianne Norcutt—phone: 301-628-3146; fax: 301-628-3101; e-mail: dnorcutt@s-3.com.

On June 8, 2001, HHS Secretary Thompson announced a Department-wide initiative to reduce regulatory burdens in health care, to improve patient care, and to respond to the concerns of health care providers and industry, State and local Governments, and individual Americans who are affected by HHS rules. Common sense approaches and careful balancing of needs can help improve patient care. As part of this initiative, the Department established the Secretary's Advisory Committee on Regulatory Reform to provide findings and recommendations regarding potential regulatory changes. These changes would enable HHS programs to reduce burdens and costs associated with departmental regulations and paperwork, while at the same time maintaining or enhancing the effectiveness, efficiency, impact, and access of HHS programs.

Dated: September 9, 2002.

William Raub,

Deputy Assistant Secretary for Planning and Evaluation.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[Program Announcement 03004]

Improving the Health, Education, and Well-Being of Young People Through Coordinated School Health Programs; Notice of Availability of Funds

A. Purpose

The Centers for Disease Control and Prevention (CDC), announces the expected availability of fiscal year (FY) 2003 funds for cooperative agreements between CDC and state education agencies (SEA) and large city local education agencies (LEA) to improve the health, education, and well-being of young people through coordinated school health programs. This program announcement supports 15 health promotion and disease prevention objectives related to school-age youth in Healthy People 2010 and Strategy two of the CDC's HIV Prevention Strategic Plan Through 2005; and addresses at least the following specific outcome objectives:

- Increase the proportion of adolescents (grades 9 thru 12) who abstain from sexual intercourse or use condoms if currently sexually active (with special emphasis on reaching youth of color).
