Review of Generator Interconnection Agreements and Procedures; American Wind Energy Association; Notice Inviting Post-Technical Conference Comments

On May 13, 2016, Federal Energy Regulatory Commission (Commission) staff conducted a technical conference to discuss select issues related to the petition for rulemaking submitted by the American Wind Energy Association in Docket No. RM15-21-000 and other interconnection-related issues, including the interconnection of electric storage.

All interested persons are invited to file post-technical conference comments on any or all of the questions listed in the attachment to this Notice. We emphasize that commenters need not answer all of the questions. We encourage commenters to submit new or additional information in response to these questions rather than information that was previously submitted in Docket Nos. RM16-12-000 and/or RM15-21-000. Commenters should organize responses consistent with the numbering of the attached questions and identify to what extent their responses are generally applicable or pertain to a particular RTO/ISO. Commenters are also invited to reference material previously filed in this docket, including technical conference transcripts. These comments must be filed with the Commission no later than 5:00 p.m. Eastern Standard Time on June 20, 2016.

[Docket No. EL16-77-000]

Michigan South Central Power Agency v. Michigan Electric Transmission Company, LLC; Notice of Complaint

Take notice that on June 1, 2016, pursuant to sections 206 and 306 of the Federal Power Act, 16 U.S.C. 824e and 825e and Rule 206 of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedure, 18 CFR 385.206, Michigan South Central Power Agency (Complainant) filed a formal complaint against Michigan Electric Transmission Company (Respondent) alleging that Respondent has failed to comply with Section 19.1(i) of the Project I Transmission Ownership and Operating Agreement between Complainant and Respondent, as more fully explained in the complaint.

Complainant certifies that copies of the complaint were served on the contacts for Respondent as listed on the Commission's list of Corporate Officials.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically

should submit an original and 5 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s). Columbia Gulf Transmission, LLC; Notice of Intent To Prepare an Environmental Impact Statement for the Proposed Gulf Xpress Project, Request for Comments on Environmental Issues, and Notice of Public Scoping Meeting

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental impact statement (EIS) that will discuss the environmental impacts of the Gulf Xpress Project (GXP) involving construction and operation of facilities by Columbia Gulf Transmission, LLC (Columbia Gulf) in Kentucky, Tennessee, and Mississippi. The Commission will use this EIS in its decision-making process to determine whether the project is in the public convenience and necessity.

This notice announces the opening of the scoping process the Commission will use to gather input from the public and interested agencies on the project. You can make a difference by providing us with your specific comments or concerns about the project. Your comments should focus on the potential environmental effects, reasonable alternatives, and measures to avoid or lessen environmental impacts. Your input will help the Commission staff
