### Foreign-Trade Zones Board

[B-14-2017]

#### Foreign-Trade Zone 269—Athens, Texas; Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Athens Economic Development Corporation, grantee of FTZ 269, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on February 22, 2017.

FTZ 269 was approved by the FTZ Board on April 3, 2006 (Board Order 1438, 71 FR 20074, April 19, 2006). The current zone includes the following sites: *Site 1* (127 acres)—Athens Industrial Park, 1621 Enterprise Street, Athens; and, *Site 2* (59 acres)—Henderson Industrial Park, 1380 Flat Creek Road, Athens.

The grantee’s proposed service area under the ASF would be the City of Athens, Texas, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The application indicates that the proposed service area is within and adjacent to the Dallas-Fort Worth Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone to include both of the existing sites as “magnet” sites. No subzones/usage-driven sites are being requested at this time.

In accordance with the FTZ Board’s regulations, Camille Evans of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary at the address below. The closing period for their receipt is May 1, 2017. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to May 15, 2017.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the “Reading Room” section of the FTZ Board’s Web site, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz). For further information, contact Camille Evans at [Camille.Evans@trade.gov](mailto:Camille.Evans@trade.gov) or (202) 482-2350.

Dated: February 22, 2017.

#### Stainless Steel Bar From India: Preliminary Results of Antidumping Duty Administrative Review; 2015–2016

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on stainless steel bar (SSB) from India. The period of review (POR) is February 1, 2015, through January 31, 2016. This review

covers two producers or exporters of the subject merchandise: Ambica Steels Limited (Ambica), and Bhansali Bright Bars Pvt. Ltd. (Bhansali). We preliminarily determine that Bhansali had no shipments of subject merchandise during the POR and that Ambica did have an entry of subject merchandise during the POR. Interested parties are invited to comment on these preliminary results.

**DATES:** Effective March 1, 2017.

**FOR FURTHER INFORMATION CONTACT:** Joseph Shuler, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1293.

#### SUPPLEMENTARY INFORMATION:

##### Scope of the Order

The merchandise subject to the order is SSB. SSB means articles of stainless steel in straight lengths that have been either hot-rolled, forged, turned, cold-drawn, cold-rolled or otherwise cold-finished, or ground, having a uniform solid cross section along their whole length in the shape of circles, segments of circles, ovals, rectangles (including squares), triangles, hexagons, octagons, or other convex polygons. SSB includes cold-finished SSBs that are turned or ground in straight lengths, whether produced from hot-rolled bar or from straightened and cut rod or wire, and reinforcing bars that have indentations, ribs, grooves, or other deformations produced during the rolling process.

Except as specified above, the term does not include stainless steel semi-finished products, cut-to-length flat-rolled products (*i.e.*, cut-to-length rolled products which if less than 4.75 mm in thickness have a width measuring at least 10 times the thickness, or if 4.75 mm or more in thickness having a width which exceeds 150 mm and measures at least twice the thickness), wire (*i.e.*, cold-formed products in coils, of any uniform solid cross section along their whole length, which do not conform to the definition of flat-rolled products), and angles, shapes, and sections.

Imports of these products are currently classifiable under subheadings 7222.10.00, 7222.11.00, 7222.19.00, 7222.20.00, 7222.30.00 of the Harmonized Tariff Schedule (HTS). Although the HTS subheadings are provided for convenience and customs

purposes, our written description of the scope of the *Order* is dispositive.

### Background

Carpenter Technology Corporation, Crucible Industries LLC, Electralloy, a Division of G.O. Carlson, Inc., North American Stainless, Universal Stainless & Alloy Products, Inc., and Valbruna Slater Stainless, Inc. (the petitioners) timely requested an administrative review of Ambica and Bhansali.<sup>1</sup> The Department published in the **Federal Register** a notice of initiation of this administrative review of the antidumping duty order on SSB from India for Ambica and Bhansali.<sup>2</sup>

### Preliminary Determination of No Shipments (Bhansali)

We received a timely claim from Bhansali reporting that it had no shipments of the subject merchandise to the United States during the POR and requested that the Department rescind the review with respect to it.<sup>3</sup> Following Bhansali's claim of no shipments during the POR, the Department placed U.S. Customs and Border Protection (CBP) entry data on the record for comment,<sup>4</sup> and transmitted a "No-Shipment Inquiry" to CBP regarding Bhansali.<sup>5</sup> Pursuant to this inquiry, CBP submitted no information contrary to Bhansali's claim. Accordingly, the Department preliminarily determines that Bhansali had no shipments during the POR. Consistent with our practice, we will complete the review and issue appropriate instructions to CBP based on the final results of this review.

### Preliminary Results of Review (Ambica)

The Department received a timely claim from Ambica reporting that it had "no shipments" of the subject merchandise to the United States during the POR and requested that the Department rescind the review with respect to it.<sup>6</sup> Following Ambica's claim

of no shipments during the POR, the Department placed CBP entry data on the record for comment.<sup>7</sup> Subsequently, we requested entry documents from CBP for specific shipments attributed to Ambica and placed this information on the record for comment.<sup>8</sup> The Department preliminarily finds that Ambica had one suspended entry of subject merchandise during this POR for which it had knowledge of its sale to an unaffiliated U.S. customer. However, the Department inadvertently included the sales associated with this 2015/16 entry of subject merchandise in its analysis for the 2014–15 administrative review. Therefore, we have preliminarily determined to apply the importer-specific assessment rate calculated for Ambica in the 2014–15 review to this suspended entry in the instant review. For all other entries of subject merchandise attributed to Ambica during the instant POR, Ambica has reasonably explained that it had no knowledge of these entries into the United States or the sales associated with these entries. Accordingly, these entries will be liquidated at the all-others rate. For additional information and analysis, see the Preliminary Analysis Memorandum.<sup>9</sup>

### Public Comment

Interested parties may submit case briefs no later than 30 days after the date of publication of the preliminary results.<sup>10</sup> Rebuttal briefs, limited to the issues raised in the case briefs, may be filed no later than five days after the submission of case briefs.<sup>11</sup> Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>12</sup>

All submissions to the Department must be filed electronically using ACCESS, and must also be served on

interested parties.<sup>13</sup> An electronically filed document must be received successfully in its entirety by the Department's electronic records system, ACCESS, by 5:00 p.m. Eastern Time on the date that the document is due.

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, using Enforcement and Compliance's ACCESS system within 30 days of publication of this notice.<sup>14</sup> Requests should contain (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs.

Unless the deadline is extended pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930 (the Act) and 19 CFR 351.213(h)(2), the Department intends to issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case and rebuttal briefs, within 120 days after the publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

### Assessment of Antidumping Duties

For the single suspended AD/CVD entry attributable to Ambica, we will instruct CBP to liquidate this entry at the importer-specific assessment rate calculated in the 2014–15 administrative review.

In accordance with the Department's practice, for entries of subject merchandise during the POR for which Ambica or Bhansali did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue instructions to CBP 15 days after the publication date of the final results of this review.

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Ambica and Bhansali will remain unchanged from the rate assigned to each company in the

#### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

We are issuing and publishing these preliminary results of administrative review in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 22, 2017.
