2. On page 5, under the heading "5. Consortium," a phrase in the third full paragraph has been corrected to read: "If the consortium is awarded a Rural Fund grant, within 120 days after the grant award, the consortium members must execute a formal funding agreement."

3. On page 32, section d.(1) has been corrected to read as follows:

(1) Maximum amount established for Category 1 proposals is \$20,750,000. For Category 1, Single Purpose and Comprehensive, HUD will select Single Purpose applications that score 75 points or more in rank order until selections totaling \$7,500,000 have been reached. If there are an insufficient number of Single Purpose applications to utilize the full \$7,500,000 then the remaining amount funds will be available for Category 1 Comprehensive grants. If all \$7,500,000 is utilized for the Single Purpose grants, then of the remaining \$13,250,000 funds, HUD will evaluate the total number of unfunded Category 1 applications that rated above 75 points, the comparative scores of the unfunded Single Purpose and Comprehensive applications and determine what total amounts will be awarded to the remaining unfunded Single Purpose grants and Comprehensive grants. If the total number of Single Purpose grant applications that rank 75 points or more totals \$7,500,000 or less, HUD will allocate all of the remaining balance to Category 2 applications that rank 75 points or higher. HUD, in its sole discretion, may decide not to utilize the full amount of funds available.

Computer matching for participants of the Disaster Housing Assistance Program is expected to begin no sooner than January 2, 2011. The first HUD-HHS computer matching program was conducted in September 2005, with HUD's Office of Public and Indian Housing. HUD will make the results of the computer matching program available to public housing agencies (PHAs), private housing owners and management agents (O/As) administering HUD rental assistance programs to enable them to verify employment and income and correctly determine the rent and assistance levels for individuals participating in those programs, and contract administrators (CAs) overseeing and monitoring O/A operations. This information also may be disclosed to the HUD Inspector General (HUD/IG) and the Attorney General in detecting and investigating potential cases of fraud, waste, and abuse of the above named programs.

In addition to the above noted information disclosures, limited redisclosure of reports containing NDNH information may be redisclosed to the following persons and/or entities: (1) independent auditors for the sole purpose of performing an audit of whether these HUD authorized entities verified tenants' employment and/or income and calculated the subsidy and rent correctly; and (2) entities and/or individuals associated with grievance procedures and judicial proceedings (*i.e.* lawyers, court personnel, agency personnel, grievance hearing officers, etc.) relating to independently verified unreported income identified through this matching program.
