SUPPLEMENTARY INFORMATION:

Order To Show Cause

The Federal Aviation Administration (FAA) has tentatively determined that it will extend through October 31, 2005, the FAA's August 18, 2004, order limiting scheduled operations at O'Hare International Airport (O'Hare). This order to show cause invites air carriers and other interested persons to submit comments in Docket No. FAA-2004-16944 on this proposal to extend the duration of the August 18 order.

In the absence of the FAA's extension of the August 18 order, the FAA anticipates a return of the congestion-related delays that precipitated the voluntary schedule reductions and adjustments reflected in the August 18 order. In a separate docket, the FAA intends to soon solicit public comment on a proposed rule that would limit the number of scheduled operations at O'Hare. The FAA expects that the extension of the August 18 order would coincide with the effective date of any final rule adopted after the FAA's consideration of the public comments filed in that docket.

The FAA's authority to extend the August 18 order is the same as the authority cited in that order. In part, the FAA proposes to extend the August 18 order under the agency's broad authority in 49 U.S.C. 40103(b) to regulate the use of the navigable airspace of the United States. This provision authorizes the FAA to
