

DEPARTMENT OF AGRICULTURE**Natural Resources Conservation Service****Notice of Availability of Proposed Changes in the NRCS New Mexico FOTG, Section IV, Conservation Practices for Review and Comment**

SUMMARY: It is the intention of NRCS New Mexico to issue a series of new conservation practice standards and specifications in its FOTG on Conservation Practices. These revised standards and specifications include: 313—Waste Storage Facility, 359—Waste Treatment Lagoon, 380—Windbreak/Shelterbelt Establishment, 391A—Riparian Forest Buffer, 394—Firebreak, 472—Use Exclusion, 490—Site Preparation for Woody Plant Establishment, 562—Recreation Area Improvement, 590—Nutrient Management, 612—Tree and Shrub Establishment, 633—Waste Utilization, 650—Windbreak/Shelterbelt Renovation, 660A—Tree and Shrub Pruning, and 666—Forest Stand Improvement.

The NRCS New Mexico State Conservationist has chosen to revise and supplement the National Standards and add specifications adapted to the State of New Mexico. These will be incorporated into Section IV of the New Mexico Field Office Technical Guide (FOTG). Some of these practices may be used in conservation systems that treat highly erodible land and wetlands.

Copies of these standards are available from NRCS in Albuquerque, NM and are also available electronically on the NRCS New Mexico Internet Homepage at: <http://www.nm.nrcs.usda.gov/techserv/sec4home.htm>.

SUPPLEMENTARY INFORMATION: Section 343 on the Federal Agriculture Improvement and Reform Act of 1996 states that revisions made after enactment of the law to NRCS State technical guides used to carry out highly erodible land and wetland provisions of the law shall be made available for public review and comment. For the next 30 days the NRCS will receive comments relative to these proposed changes. Following that period a determination will be made by the NRCS regarding disposition of those comments and a final determination of change will be made.

DATES: Comments will be received on or before September 29, 2000.

ADDRESSES: Inquire in writing to Mr. Rosendo Trevino, State Conservationist, NRCS, 6200 Jefferson NE, Suite 305, Albuquerque, NM 87109.

Authority: 16 U.S.C. 3801; Pub. L. 104-127.

Rosendo Trevino III,
State Conservationist.

BILLING CODE 3410-16-P

DEPARTMENT OF COMMERCE**Submission for OMB Review; Comment Request**

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

Bureau: International Trade Administration.

Title: International Buyer Program: Application and Exhibitor Data.

Agency Form Number: ITA-4014P and ITA-4102P.

OMB Number: 0625-0151.

Type of Request: Regular Submission.

Burden: 1,060 hours.

Number of Respondents: 5,510.

Avg. Hours Per Response: 10 minutes and 180 minutes.

Needs and Uses: The International Trade Administration's International Buyer Program (IBP) encourages international buyers to attend selected domestic trade shows in high export potential industries and to facilitate contact between U.S. exhibitors and foreign visitors. The program has been successful, having substantially increased the number of foreign visitors attending these selected shows as compared to the attendance when not supported by the program. The number of shows selected to the program increased from 10 in FY 1986 to 28 in FY 2001. Among the criteria used to select these shows are: export potential, international interest, scope of show, stature of show, exhibitor interest, overseas marketing, logistics, and cooperation of show organizers. Form ITA-4014P, Exhibitor Data, is used to determine which U.S. firms are interested in meeting with international business visitors and the overseas business interest of the exhibitors. The exhibitor data form is completed by U.S. exhibitors participating in an IBP domestic trade show and is used to list the firm and its products in an Export Interest Directory which is distributed worldwide for use by Foreign Commercial Officers in recruiting delegations of international buyers to attend the show. The Form ITA-4102P, Application, is used by a potential show organizer to provide(1) his/her

experience, (2) ability to meet the special conditions of the IBP, and (3) information about the domestic trade show such as the number of U.S. exhibitors and the percentage of net exhibit space occupied by U.S. companies vis-a-vis non-U.S. exhibitors.

Affected Public: Business or other for-profit.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain a benefit, voluntary.

OMB Desk Officer: David Rostker, (202) 395-7340.

Copies of the above information collection proposal can be obtained by calling or writing Madeleine Clayton, Departmental Forms Clearance Officer, (202) 482-3129, Department of Commerce, Room 6086, 14th and Constitution, N.W., Washington, DC 20230. Email MClayton@doc.gov.

Written comments and recommendations for the proposed information collection should be sent to David Rostker, OMB Desk Officer, Room 10202, New Executive Office Building, Washington, DC 20503 within 30 days of the publication of this notice in the **Federal Register**.

Dated: August 24, 2000.

Madeleine Clayton,

Departmental Forms Clearance Officer, Office of the Chief Information Officer.

DEPARTMENT OF COMMERCE**Submission for OMB Review; Comment Request**

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104-13.

Bureau: International Trade Administration

Title: Application for Designation of a Fair

Agency Form Number: ITA-4135P.

OMB Number: 0625-0228.

Type of Request: Regular submission.

Burden: 100 hours.

Number of Respondents: 200.

Avg. Hours Per Response: 30 minutes.

Needs and Uses: The International Trade Administration's Tourism Industries office offers trade fair guidance and assistance to trade fair organizers, trade fair operators, and other travel and trade oriented groups. These fairs open doors to promising travel markets around the world. The "Application for Designation of a Fair" is a questionnaire that is prepared and

signed by an organizer to begin the certification process. It asks the fair organizer to provide details as to the date, place, and sponsor of the fair, as well as license, permit, and corporate backers, and countries participating. To apply for the U.S. Department of Commerce sponsorship, the fair organizer must have all of the components of the application in order. Then, with the approval, the organizer is able to bring in their products in accordance with Customs laws. Articles which may be brought in include, but are not limited to, actual exhibit booths, exhibit items, pamphlets, brochures, and explanatory material in reasonable quantities relating to the foreign exhibits at a fair, and material for use in constructing, installing, or maintaining foreign exhibits at a fair.

Affected Public: Businesses or other for-profit.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain a benefit, voluntary.

OMB Desk Officer: David Rostker, (202) 395-7340

Copies of the above information collection proposal can be obtained by calling or writing Madeleine Clayton, Departmental Forms Clearance Officer, (202) 482-3129, Department of Commerce, Room 6086, 14th and Constitution, NW, Washington, DC 20230. Email MClayton@doc.gov.

Written comments and recommendations for the proposed information collection should be sent to David Rostker, OMB Desk Officer, Room 10202, New Executive Office Building, Washington, DC 20503 within 30 days of the publication of this notice in the **Federal Register**.

Dated: August 24, 2000.

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[Order No. 1116]

Extension of Nonprivileged Status Authority, Oil Refinery Subzones

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, by an Act of Congress approved June 18, 1934, an Act "To provide for the establishment . . . of

foreign-trade zones in ports of entry of the United States, to expedite and encourage foreign commerce, and for other purposes," as amended (19 U.S.C. 81a-81u) (the Act), the Foreign-Trade Zones Board (the Board) is authorized to grant to qualified corporations the privilege of establishing foreign-trade zones in or adjacent to U.S. Customs ports of entry;

Whereas, the Board's regulations (15 CFR part 400) provide for the establishment of special-purpose subzones when existing zone facilities cannot serve the specific use involved, and when the activity results in a significant public benefit and is in the public interest;

Whereas, the Board approved the oil refinery/petrochemical complex subzones listed below to conduct certain activity under zone procedures, subject to product and time restrictions;

Whereas, applications were submitted from the FTZ grantees of the subzones listed below, requesting a time extension of authority to elect nonprivileged foreign status (NPF) on crude oil and related products used in the production of certain petrochemical feedstocks and refinery by-products at the crude oil refineries/petrochemical complexes of the listed subzones;

Whereas, the applications were filed by the Board on August 23, 1999, and notice describing the applications and inviting public comment was given in the **Federal Register** (FTZ Docket 41-99, 64 FR 48140, 9/2/99); and,

Whereas, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and Board's regulations would be satisfied, and that approval of the applications would be in the public interest if approval is subject to the conditions listed below;

Now, therefore, the Board hereby amends the Board Orders listed below, authorizing an extension of authority for the listed subzones, subject to the FTZ Act and the Board's regulations, including § 400.28, and further subject to the following conditions:

1. Foreign status (19 CFR 146.41, 146.42) products consumed as fuel for the refinery shall be subject to the applicable duty rate.

2. Privileged foreign status (19 CFR 146.41) shall be elected on all foreign merchandise admitted to the subzone, except that non-privileged foreign (NPF) status (19 CFR 146.42) may be elected on refinery inputs covered under HTSUS Subheadings #2709.00.1000-#2710.00.1050, #2710.00.2500 and #2710.00.4510 which are used in the production of:

—petrochemical feedstocks and refinery by-products (examiner's report, Appendix "C");

—products for export;

—and, products eligible for entry under HTSUS #9808.00.30 and #9808.00.40 (U.S. Government purchases).
