### Exporter Certification

Special Instructions: The party that made the sale to the United States should fill out the exporter certification.

I hereby certify that:

(A) My name is {COMPANY OFFICIAL'S NAME} and I am an official of {NAME OF COMPANY}, located at {ADDRESS};

(B) I have direct personal knowledge of the facts regarding the production and exportation of the corrosion resistant steel products identified below. "Direct personal knowledge" refers to facts the certifying party is expected to have in its own books and records. For example, an exporter should have direct personal knowledge of the producer's identity and location.

(C) The corrosion resistant steel products produced in Costa Rica and covered by this certification were not manufactured using hot-rolled steel and/or cold-rolled steel substrate produced in China.

(D) This certification applies to the following sales to {NAME OF U.S. CUSTOMER}, located at {ADDRESS OF U.S. CUSTOMER}. (repeat this block as many times as necessary):

Foreign Seller's Invoice # to U.S. Customer:  
Foreign Seller's Invoice to U.S. Customer  
Line item #:

Producer Name:  
Producer's Address:

Producer's Invoice # to Foreign Seller: (If the foreign seller and the producer are the same party, put NA here.)

(E) The corrosion resistant steel products covered by this certification were shipped to {NAME OF U.S. PARTY TO WHOM MERCHANDISE WAS SHIPPED}, located at {U.S. ADDRESS TO WHICH MERCHANDISE WAS SHIPPED}.

(F) I understand that {NAME OF EXPORTING COMPANY} is required to maintain a copy of this certification and sufficient documentation supporting this certification (*i.e.*, documents maintained in the normal course of business, or documents obtained by the certifying party, for example, mill certificates, production records, invoices, etc.) for the later of: (1) A period of five years from the date of entry or (2) a period of three years after the conclusion of any litigation in the United States courts regarding such entries.

(G) I understand that {NAME OF EXPORTING COMPANY} must provide a copy of this Exporter Certification to the U.S. importer by the date of shipment;

(H) I understand that {NAME OF EXPORTING COMPANY} is required to provide a copy of this certification and supporting records, upon request, to U.S. Customs and Border Protection (CBP) and/or the Department of Commerce (Commerce).

(I) I understand that the claims made herein, and the substantiating documentation, are subject to verification by CBP and/or Commerce.

(J) I understand that failure to maintain the required certification, and/or failure to substantiate the claims made herein, and/or failure to allow CBP and/or Commerce to verify the claims made herein, may result in a *de facto* determination that all sales to which this certification applies are within the scope of the antidumping/countervailing duty order on corrosion resistant steel products from China. I understand that such finding will result in:

(i) Suspension of all unliquidated entries (and entries for which liquidation has not become final) for which these requirements were not met; and

(ii) the requirement that the importer post applicable antidumping duty and/or countervailing duty cash deposits (as appropriate) equal to the rates as determined by Commerce; and

(iii) the revocation of {NAME OF EXPORTING COMPANY}'s privilege to certify future exports of corrosion resistant steel products from Costa Rica as not manufactured using hot-rolled steel and/or cold-rolled steel substrate from China.

(K) This certification was completed at or prior to the date of shipment.

(L) I am aware that U.S. law (including, but not limited to, 18 U.S.C. 1001) imposes criminal sanctions on individuals who knowingly and willfully make material false statements to the U.S. government.
