Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276-0361.

Project: Protection and Advocacy for Individuals with Mental Illness (PAIMI) Final Rule, 42 CFR Part 51 (OMB No. 0930-0172)—Extension

These regulations meet the directive under 42 U.S.C. 10826 (b) requiring the Secretary to promulgate final regulations to carry out the PAIMI Act (42 U.S.C. 10801 *et seq.*). The regulations contain information collection requirements. The Act authorizes funds to support activities on behalf of individuals with significant (severe) mental illness (adults) or significant (severe) emotional impairment (children/youth) as defined by the Act at 42 U.S.C. 10802 (4) and 10804 (d). Only entities designated by the governor of each state, including the American Samoa, Guam, Commonwealth of the Northern Mariana Islands, Commonwealth of Puerto Rico, U.S. Virgin Islands, District of Columbia (Mayor), and the tribal councils of the American Indian Consortium (the Hopi Tribe and the Navajo Nation located in the Four Corners region of the Southwest), to protect and advocate the rights of persons with developmental disabilities are eligible to receive PAIMI Program grants [ibid at 42 U.S.C. at 10802 (2)]. These grants are based on a formula prescribed by the Secretary [ibid at 42 U.S.C. at 10822 (a) (1) (A)].

On January 1, each eligible state protection and advocacy (P&A) system is required to prepare an annual PAIMI Program Performance Report (PPR). Each annual PPR describes a P&A system's activities, accomplishments and expenditures to protect the rights of individuals with mental illness supported with payments from PAIMI program allotments during the most recently completed fiscal year. Each P&A system transmit a copy of its annual report to the Secretary (via SAMHSA) and to the State Mental Health Agency where the system is

located per the PAIMI Act at 42 U.S.C. 10824 (a). Each annual PPR must provide the Secretary with the following information:

- The number of (PAIMI-eligible) individuals with mental illness served;
- A description of the types of activities undertaken;
- A description of the types of facilities providing care or treatment to which such activities are undertaken;
- A description of the manner in which the activities are initiated;
- A description of the accomplishments resulting from such activities;
- A description of systems to protect and advocate the rights of individuals with mental illness supported with payments from PAIMI Program allotments;
- A description of activities conducted by States to protect and advocate such rights;
- A description of mechanisms established by residential facilities for individuals with mental illness to protect such rights;
- A description of the coordination among such systems, activities and mechanisms;
- Specification of the number of public and nonprofit P&A systems established with PAIMI Program allotments; and
- Recommendations for activities and services to improve the protection and advocacy of the rights of individuals with mental illness and a description of the need for such activities and services that were not met by the state P&A systems established under the PAIMI Act due to resource or annual program priority limitations.

Each PAIMI grantee's annual PPR must include a separate section, prepared by its PAIMI Advisory Council (PAC), that describes the council's activities and its assessment of the state P&A system's operations per the PAIMI Act at 42 U.S.C. 10805 (7).

In 2017, SAMHSA included the annual PAIMI PPR in the Web-based Block Grant Application System (WebBGAS). WebBGAS, SAMHSAs electronic data system, is used to collect grantee information for the following reasons:

- (1) To meet the OMB requirements for data collection for mandatory (formula) grant programs;
- (2) To comply with the annual program reporting requirements of the PAIMI Act 42 U.S.C. 10801 *et seq.* and the PAIMI Rules 42 CFR part 51;
- (3) To simplify the submission of PAIMI program data by the state P&A systems;
