Total Burden Cost (capital/startup):
—0—.

Total Burden Cost (operating/maintaining):

Business: The salary range of representatives of business respondents (employees of small family owned farms up through large agribusiness firms) could be from the minimum wage to several hundred thousand dollars of a CEO. Therefore, the hourly salaries of individuals participating in the wage survey can range from about \$5.15 to \$300.00 or more per hour.

State Government: Average cost to the State agencies conducting the agricultural wage surveys range from \$1,500.00 to \$6,000.00 per survey, depending upon the complexity of the crop or livestock activity to be surveyed, including considerations such as size of employer and worker universes, and geographic expanse of wage reporting areas.

Comments submitted in response to this comment request will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they will also become a matter of public record.

Dated: September 5, 2000.

Grace A. Kilbane,

Administrator, Office of Workforce Security, Employment and Training Administration.
