[Release No. 34-66244; File No. SR-FINRA-2012-003]

### Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Delay the Implementation Date of SR-FINRA-2011-019

January 26, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on January 20, 2012, Financial Industry Regulatory Authority, Inc. (“FINRA”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a “non-controversial” rule change under paragraph (f)(6) of Rule 19b-4 under the Act,<sup>3</sup> which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing a rule change to delay the implementation date of amendments that became effective pursuant to SR-FINRA-2011-019. The proposed rule change would not make any changes to the text of FINRA rules.

The text of the proposed rule change is available on FINRA’s Web site at <http://www.finra.org>, at the principal office of FINRA and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

#### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

On April 25, 2011, FINRA filed an immediately effective proposed rule change to rename the OTC Bulletin Board (“OTCBB”) as the Non-NMS Quotation Service (“NNQS”).<sup>4</sup> In the Original Filing, FINRA stated that the implementation date of the proposed rule change would be no later than 270 days following the date of filing of the proposed rule change, but in no event would be sooner than 120 days following the date of filing of the proposed rule change.<sup>5</sup> FINRA is revising the timeframe for the implementation date of SR-FINRA-2011-019 to allow additional time for the renaming of OTCBB as NNQS, transitioning of the related domain name, and consummation of the sale transaction discussed in the Original Filing.<sup>6</sup> FINRA will announce the implementation date of the changes effected pursuant to SR-FINRA-2011-019 at a later date; however, the implementation date will be no sooner than 120 days following the date of filing of this proposed rule change, but no later than December 31, 2012.<sup>7</sup>

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, such that FINRA can implement the proposed rule change immediately.

##### 2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,<sup>8</sup> which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and

equitable principles of trade, and, in general, to protect investors and the public interest. Section 15A(b)(11) of the Act<sup>9</sup> requires that FINRA rules include provisions governing the form and content of quotations relating to securities sold otherwise than on a national securities exchange which may be distributed or published by any member or person associated with a member, and the persons to whom such quotations may be supplied. In addition, Section 15A(b)(11) of the Act<sup>10</sup> requires that such rules be designed to produce fair and informative quotations, to prevent fictitious or misleading quotations, and to promote orderly procedures for collecting, distributing, and publishing quotations.

FINRA believes the proposed rule change is consistent with Sections 15A(b)(6) and (11) of the Act in that it facilitates FINRA’s continued ability to operate an interdealer quotation system for use by market makers in OTC equity securities that is functionally identical to the service provided under the current name, thereby supporting the availability of quotation information in the over-the-counter equity securities market.

#### B. Self-Regulatory Organization’s Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

#### C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

FINRA has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>11</sup> and Rule 19b-4(f)(6) thereunder.<sup>12</sup> Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the

<sup>5</sup> Upon implementation of the proposed rule change, FINRA’s interdealer quotation system will be known as NNQS, and FINRA no longer will own the [www.OTCBB.com](http://www.OTCBB.com) Web site.

proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>13</sup> and Rule 19b-4(f)(6)(iii) thereunder.<sup>14</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>15</sup> normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii)<sup>16</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. FINRA has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, as it will allow FINRA immediately to delay the implementation date of amendments to various FINRA rules regarding the renaming of the OTCBB service. For this reason, the Commission designates the proposed rule change as operative upon filing.<sup>17</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

#### IV. Solicitation of Comments
