Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: Migrant Education Even Start Family Literacy program grants are intended to help break the cycle of poverty and illiteracy of migratory families by improving the educational opportunities of these families through the integration of early childhood education, adult literacy or adult basic education, and parenting education into a unified family literacy program. This program is implemented through cooperative activities that: build on high-quality existing community resources to create a new range of educational services for most-in-need migratory families; promote the academic achievement of migratory children and adults; assist migratory children and adults from low-income families to achieve to challenging State content standards and challenging State student performance standards; and use instructional programs based on scientifically based research on preventing and overcoming reading difficulties for children and adults. A description of the required fifteen program elements for which funds must be used under title I, part B, section 1235 of the Elementary and Secondary Education Act of 1965, as amended (ESEA), is included in the application package.

Priority: This notice includes one competitive preference priority and three invitational priorities. These priorities are for the combined FY 2003 and FY 2004 grant competition and any future awards made on the basis of the funding slate from this competition.

Competitive Preference Priority: In accordance with 34 CFR 75.105(b)(2)(ii),

this priority is from section 75.225 of the Education Department General Administrative Regulations (EDGAR) that apply to this program (34 CFR 75.225). This priority is a competitive preference priority. Under 34 CFR 75.105 (c)(2)(i) we award an additional 5 points to an application that meets this priority.

This priority is:

Novice Applicant

The applicant must be a "novice applicant." Under 34 CFR 75.225 a novice applicant is an applicant that has never received a grant or subgrant under the MEES program; has never been a participant in a group application, submitted in accordance with sections 75.127–75.129 of EDGAR, that received a grant under the MEES program; and has not had an active discretionary grant from the Federal Government in the five years before the deadline date for applications under the MEES program. (34 CFR 75.225.)

Invitational Priorities: These priorities are invitational priorities. Under 34 CFR 75.105(c)(1) we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

Invitational Priority 1—Partnerships To Improve School Readiness

The Secretary is especially interested in applications that would create Federal, State, and local partnerships to improve reading proficiency and advance English language acquisition so that migratory children enter elementary school with strong early reading skills.

Invitational Priority 2—Collaboration With Experienced MEES Projects

The Secretary is especially interested in applications that would build networks among novice applicants and experienced MEES projects that will leverage resources to eliminate disruptions in the education of participating families and engage migrant families wherever they move outside the project. Networks among experienced and novice projects increase the likelihood of maintaining the academic progress of migratory adults and children regardless of where migratory families travel to work.

Invitational Priority 3—Agricultural Employer Partnerships

The Secretary is especially interested in applications that would build networks with agricultural employers that will supplement resources available to develop English proficiency for migratory agricultural families with

limited English or native-language literacy.

Program Authority: 20 U.S.C. 6381a(a)(1)(A).

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99.

Note: The regulations in 34 CFR Part 86 apply to institutions of higher education only.
