

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on May 29, 2015 (80 FR 30756). FAR Part 171 establishes procedures and requirements for sponsors, both private and public other than FAA, to purchase, install, operate, and maintain electronic nav aids for use by the flying public in the National Airspace System (NAS). FAR Part 171 describes procedures for receiving permission to install a facility and requirements to be fulfilled to keep it in service. Tasks and any other repair work done to these facilities are recorded in on-site logs, copies of which are sent to the Service Center office.

Respondents: Approximately 2,413 sponsors of non-federal navigation facilities.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 13.72 hours.

Estimated Total Annual Burden: 33,116 hours.

Public comments invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Issued in Washington, DC, on August 4, 2015.

Federal Aviation Administration

Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Training and Qualification Requirements for Check Airmen and Flight Instructors

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA

invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The rule allows some experienced pilots who would otherwise qualify as flight instructors or check airmen, but who are not medically eligible to hold the requisite medical certificate, to perform flight instructor or check airmen functions in a simulator.

DATES: Written comments should be submitted by October 13, 2015.

ADDRESSES: Send comments to the FAA at the following address: Ronda Thompson, Room 300, Federal Aviation Administration, ASP-110, 950 L'Enfant Plaza SW., Washington, DC 20024.

FOR FURTHER INFORMATION CONTACT: Ronda Thompson at (202) 267-1416, or by email at: Ronda.Thompson@faa.gov.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 2120-0600.

Title: Training and Qualification Requirements for Check Airmen and Flight Instructors.

Form Numbers: There are no FAA forms associated with this collection of information.

Type of Review: Renewal of an information collection.

Background: Federal Aviation Regulations (FAR) Parts 121.411(d), 121.412(d), 135.337(d), and 135.338(d) require the collection of this data. This collection is necessary to insure that instructors and check airmen have completed necessary training and checking required to perform instructor and check airmen functions.

Respondents: Approximately 3,000 check airmen and flight instructors.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 15 seconds.

Estimated Total Annual Burden: 13 hours.

Public comments invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Hazardous Materials Training Requirements

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The collection involves requirements for certain repair stations to provide documentation showing that persons handling hazmat for transportation have been trained following DOT guidelines.

DATES: Written comments should be submitted by October 13, 2015.

ADDRESSES: Send comments to the FAA at the following address: Ronda Thompson, Room 300, Federal Aviation Administration, ASP-110, 950 L'Enfant Plaza SW., Washington, DC 20024.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 2120-0705.

Title: Hazardous Materials Training Requirements.

Form Numbers: There are no FAA forms associated with this collection of information.

Type of Review: Renewal of an information collection.

Background: The FAA, as prescribed in 14 CFR parts 121 and 135, requires certificate holders to submit manuals and hazmat training programs, or revisions to an approved hazmat training program to obtain initial and final approval as part of the FAA certification process. Original certification is completed in accordance with 14 CFR part 119. Continuing certification is completed in accordance with parts 121 and 135. The FAA uses the approval process to determine

compliance of the hazmat training programs with the applicable regulations, national policies and safe operating practices. The FAA must ensure that the documents adequately establish safe operating procedures.

Respondents: Approximately 2,772 operators.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 7 hours.

Estimated Total Annual Burden: 6,900 hours.

Public comments invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information.
