[Release No. 34-57604; File No. SR-Amex-2008-27]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Extend the Pilot Program for the Allocation and Performance Evaluation Procedures for Securities Admitted to Dealings on an Unlisted Basis

April 2, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 20, 2008, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange seeks a one-year extension of its allocations and performance evaluation procedures for securities admitted to dealings on an unlisted trading privileges ("UTP") basis to permit these pilot programs to remain in effect.

The text of the proposed rule change is available on the Exchange's Web site (<http://www.amex.com>), at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to extend the pilot program for its allocations and performance evaluation procedures for securities admitted to dealings on a UTP basis (the "Pilot Program") from April 6, 2008 through and including April 6, 2009. The text of the rules would remain unchanged.

The Commission originally approved the Exchange's Pilot Program through two independent approval orders.³ In 2003, the Pilot Program was subsequently extended through October 5, 2003⁴ and April 5, 2004.⁵ In 2004, the Pilot Program was extended through April 6, 2005.⁶ In 2005, the program was extended through April 6, 2006.⁷ In 2006, the Pilot Program was extended through April 6, 2007.⁸ In 2007, the pilot was extended through April 6, 2008.⁹

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6 of the Act¹⁰ in general and furthers the objectives of Section 6(b)(5)¹¹ in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective immediately pursuant to Section 19(b)(3)(A)(iii) of the Act¹² and Rule 19b-4(f)(6) thereunder¹³ because it does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; or (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate.¹⁴

Amex has requested that the Commission waive the 30-day operative delay pursuant to Rule 19b-4(f)(6)(iii).¹⁵ The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because it will allow the benefits of the Pilot Program to continue without interruption. Therefore, the Commission designates the proposal to be operative upon filing with the Commission.¹⁶

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

¹² 15 U.S.C. 78s(b)(3)(A)(iii).

¹³ 17 CFR 240.19b-4(f)(6).

¹⁴ Rule 19b-4(f)(6) also requires the self-regulatory organization to give the Commission notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designed by the Commission. The Exchange has satisfied this requirement.

¹⁶ For purposes only of waiving the 30-day operative delay of this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57602; File No. SR-CBOE-2008-35]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Increase the Class Quoting Limit in One Option Class

April 2, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act" or "Exchange Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 28, 2008, the Chicago Board Options Exchange, Incorporated ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("Commission" or "SEC") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the CBOE. The Exchange has designated this proposal as one constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule under Section 19(b)(3)(A)(i) of the Act,³ and Rule 19b-4(f)(1) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to increase the class quoting limit in one option class. The text of the proposed rule change is available on CBOE's Web site (<http://www.cboe.org/legal>), at the CBOE's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of

the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

CBOE Rule 8.3A, Maximum Number of Market Participants Quoting Electronically per Product, establishes class quoting limits ("CQLs") for each class traded on the Hybrid Trading System or Hybrid 2.0 Platform.⁵ A CQL is the maximum number of quoters that may quote electronically in a given product and Rule 8.3A, Interpretation .01(a) provides that the current levels are generally established at 50.

In addition, Rule 8.3A, Interpretation .01(b) provides a procedure by which the President of the Exchange may increase the CQL for an existing or new product. In this regard, the President of the Exchange may increase the CQL in exceptional circumstances, which are defined in the rule as "substantial trading volume, whether actual or expected."⁶ The effect of an increase in the CQL is procompetitive in that it increases the number of market participants that may quote electronically in a product. The purpose of this filing is to increase the CQL in the option class Visa, Inc. (V) from its current limit of 60 to 70.⁷

CBOE anticipates that there will be substantial trading volume in this class. In addition, increasing the CQL to 70 will accommodate Market-Makers that are currently on the wait-list to be appointed to the option class. Increasing the CQL in this option will enable the Exchange to enhance the liquidity offered, thereby offering deeper and more liquid markets. Lastly, CBOE represents that it has the systems capacity to support this increase in the CQL.

2. Statutory Basis

Accordingly, CBOE believes the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of Section 6(b) of the Act.⁸ Specifically, the Exchange believes the proposed rule change is

⁵ See Rule 8.3A.01.

⁶ "Any actions taken by the President of the Exchange pursuant to this paragraph will be submitted to the SEC in a rule filing pursuant to Section 19(b)(3)(A) of the Exchange Act." Rule 8.3A.01(b).

⁷ CBOE recently increased the CQL in V from 50 to 60. See Securities Exchange Act Release No. 57582 (March 31, 2008) (SR-CBOE-2008-34).
