ENVIRONMENTAL PROTECTION AGENCY

[EPA–HQ–OGC–2020–0509; FRL 10015–50–OGC]

Proposed Consent Decree, Clean Air Act Citizen Suit

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed consent decree; request for public comment.

SUMMARY: In accordance with section 113(g) of the Clean Air Act, as amended ("CAA" or the "Act"), the United States Environmental Protection Agency ("EPA") gives notice of a proposed consent decree in *Our Children's Earth Foundation v. Wheeler*, No. 4:20–cv–00396–JSW (N.D. Cal.). In this litigation, Our Children's Earth Foundation ("OCEF") alleged that the Administrator of EPA failed to perform certain non-discretionary duties to timely respond, in accordance with the Act, to numerous state implementation plan ("SIP") submittals from the State of California. The proposed consent decree would establish deadlines for EPA to take action in response to these California SIP submittals. The proposed consent decree does not require EPA to take any specific, particular action in response to the submittals.

DATES: Written comments on the proposed consent decree must be received by November 12, 2020.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–HQ–OGC–2020–0509, online at <https://www.regulations.gov> (EPA's preferred method). Follow the online instructions for submitting comments.

Instructions: All submissions received must include the Docket ID number for this action. Comments received may be posted without change to <https://www.regulations.gov/>, including any personal information provided. For detailed instructions on sending

comments and additional information on the rulemaking process, see the "Additional Information about Commenting on the Proposed Consent Decree" heading under the **SUPPLEMENTARY INFORMATION** section of this document. Out of an abundance of caution for members of the public and our staff, the EPA Docket Center and Reading Room are closed to the public, with limited exceptions, to reduce the risk of transmitting COVID–19. Our Docket Center staff will continue to provide remote customer service via email, phone, and webform. We encourage the public to submit comments via <https://www.regulations.gov>, as there may be a delay in processing mail and faxes.
