There are two methods for submitting public comments.

1. *Electronic Submission of Comments.* Comments may also be submitted electronically through the Federal eRulemaking Portal at www.regulations.gov. HUD strongly

encourages commenters to submit comments electronically. Electronic submission of comments allows the commenter maximum time to prepare and submit a comment, ensures timely receipt by HUD, and enables HUD to make comments immediately available to the public. Comments submitted electronically through the website can be viewed by other commenters and interested members of the public. Commenters should follow instructions provided on that site to submit comments electronically.
