SUPPLEMENTARY INFORMATION:

I. Abstract

This collection of information supports the National Aeronautics and Space Act of 1958, as amended, to create opportunities to improve processes associated with the evaluation and selection of individuals to participate in the NASA Astronaut Candidate Selection Program. The NASA Astronaut Selection Office (ASO) located at the Lyndon B. Johnson Space Center (JSC) in Houston, Texas is responsible for selecting astronauts for the various United States Space Exploration programs. In evaluating an applicant for the Astronaut Candidate Program, it is important that the ASO have the benefit of qualitative and quantitative information and recommendations from persons who have been directly associated with the applicant over the course of their career.

This information will be used by the NASA ASO and Human Resources (HR) personnel, during the candidate selection process (approx. 2 year duration), to gain insight into the candidates' work ethic and

professionalism as demonstrated in previous related employment activities. Respondents may include the astronaut candidate's previous employer(s)/direct-reporting manager, as well as co-workers and other references provided by the candidate.

II. Methods of Collection

Electronic and optionally by paper.
