

particular reference to the following general requirements: (1) The name, address and telephone number of the requestor or petitioner; (2) the nature of the requestor's/petitioner's right under the Act to be made a party to the proceeding; (3) the nature and extent of the requestor's/petitioner's property, financial, or other interest in the proceeding; and (4) the possible effect of any decision or order which may be entered in the proceeding on the requestor's/petitioner's interest. The petition must also identify the specific contentions which the petitioner/requestor seeks to have litigated at the proceeding.

Each contention must consist of a specific statement of the issue of law or fact to be raised or controverted. In addition, the petitioner/requestor shall provide a brief explanation of the bases for the contention and a concise statement of the alleged facts or expert opinion which support the contention and on which the petitioner intends to rely in proving the contention at the hearing. The petitioner must also provide references to those specific sources and documents of which the petitioner is aware and on which the petitioner intends to rely to establish those facts or expert opinion. The petition must include sufficient information to show that a genuine dispute exists with the applicant on a material issue of law or fact. Contentions shall be limited to matters within the scope of the amendment under consideration. The contention must be one which, if proven, would entitle the petitioner/requestor to relief. A petitioner/requestor who fails to satisfy these requirements with respect to at least one contention will not be permitted to participate as a party.

Those permitted to intervene become parties to the proceeding, subject to any limitations in the order granting leave to intervene, and have the opportunity to participate fully in the conduct of the hearing.

Nontimely requests and/or petitions and contentions will not be entertained absent a determination by the Commission or the presiding officer of the Atomic Safety and Licensing Board that the petition, request and/or the contentions should be granted based on a balancing of the factors specified in 10 CFR 2.309(a)(1)(i)-(viii).

A request for a hearing or a petition for leave to intervene must be filed by: (1) First-class mail addressed to the Office of the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemaking and Adjudications Staff; (2) courier, express

mail, and expedited delivery services: Office of the Secretary, Sixteenth Floor, One White Flint North, 11555 Rockville Pike, Rockville, Maryland, 20852, Attention: Rulemaking and Adjudications Staff; (3) e-mail addressed to the Office of the Secretary, U.S. Nuclear Regulatory Commission, HEARINGDOCKET@NRC.GOV; or (4) facsimile transmission addressed to the Office of the Secretary, U.S. Nuclear Regulatory Commission, Washington, DC, Attention: Rulemakings and Adjudications Staff at (301) 415-1101, verification number is (301) 415-1966. A copy of the request for hearing and petition for leave to intervene should also be sent to the Office of the General Counsel, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, and it is requested that copies be transmitted either by means of facsimile transmission to 301-415-3725 or by email to OGCMailCenter@nrc.gov. A copy of the request for hearing and petition for leave to intervene should also be sent to James M. Petro, Jr., Esquire, Counsel, Constellation Energy Group, Inc., 750 East Pratt Street, 5th floor, Baltimore, MD 21202, attorney for the licensee.

For further details with respect to this action, see the application for amendment dated June 7, 2004, which is available for public inspection at the Commission's PDR, located at One White Flint North, Public File Area O1 F21, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible electronically from the Agencywide Documents Access and Management System's (ADAMS) Public Electronic Reading Room on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/adams.html>. Persons who do not have access to ADAMS or who encounter problems in accessing the documents located in ADAMS, should contact the NRC PDR Reference staff by telephone at 1-800-397-4209, (301) 415-4737, or by e-mail to pdr@nrc.gov. (**Note:** Public access to ADAMS has been temporarily suspended so that security reviews of publicly available documents may be performed and potentially sensitive information removed. Please check the NRC Web site for updates on the resumption of ADAMS access.)

Dated in Rockville, Maryland, this 22nd day of November, 2004.

NUCLEAR REGULATORY COMMISSION

[Docket No. 50-123]

Notice of License Renewal Application for Facility Operating License, University of Missouri—Rolla

Notice is hereby given that the U.S. Nuclear Regulatory Commission (the Commission) has received an application dated August 30, 2004, from the University of Missouri—Rolla (UMR), filed pursuant to Section 104c of the Atomic Energy Act of 1954, as amended (the Act), and 10 CFR 50.51(a), to renew Operating License No. R-79 for the University of Missouri—Rolla Reactor (UMRR). UMR requested renewal of the license to authorize operation of the facility for an additional 20-year period beyond the period specified in the current operating license. The current operating license for the UMRR (R-79) expires on January 14, 2005. In accordance with 10 CFR 2.109(a), the application for renewal was submitted at least 30 days prior to the expiration of the existing license, and therefore the existing license will not be deemed to have expired until the application has been finally determined. The reactor is located on the campus of the University of Missouri in the city of Rolla, Missouri. The UMRR is used for training of nuclear engineering students and other engineering and science students. It is also used for research by the UMR faculty, UMR graduate students, UMRR staff, and students and instructors from other colleges and universities in the Midwest. The acceptability of the tendered application for renewal and other matters including an opportunity to request a hearing, will be the subject of a subsequent **Federal Register** notice.

Copies of the application are available electronically at NRC's Electronic Reading Room at <http://www.nrc.gov/reading-rm/adams.html> under accession number ML042820116. From this site, you can access the NRC's Agencywide Documents Access and Management System (ADAMS), which provides text and image files of NRC's public documents. Please note that on October 25, 2004, the NRC terminated public access to ADAMS and initiated an

additional security review of publicly available documents to ensure that potentially sensitive information is removed from the ADAMS database accessible through the NRC's Web site. Interested members of the public may obtain copies of the referenced documents for review and/or copying by contacting the Public Document Room pending resumption of public access to ADAMS. The NRC Public Document Room is located at NRC Headquarters in Rockville, MD, and can be contacted at (800) 397-4209, (301) 415-4737 or by e-mail to: pdn@nrc.gov.

Dated at Rockville, Maryland, this 18th day of November 2004.

For the Nuclear Regulatory Commission.

Patrick M. Madden,

Section Chief, Research and Test Reactors Section, New, Research and Test Reactors Program, Division of Regulatory Improvement Programs, Office of Nuclear Reactor Regulation.

OVERSEAS PRIVATE INVESTMENT CORPORATION

Agency Report Form Under OMB Review

AGENCY: Overseas Private Investment Corporation (OPIC).

ACTION: Request for comments.

SUMMARY: Under the provision of the Paperwork Reduction Act (44 U.S.C. Chapter 35), agencies are required to publish a Notice in the **Federal Register** notifying the public that the Agency is preparing an information collection request for OMB review and approval and to request public review and comment on the submission. OPIC published its first **Federal Register** Notice on this information collection request on September 23, 2004, in Vol. 69, No. 184, page 57102, at which time a 60-day comment period was announced. This comment period ended November 22, 2004. No comments were received in response to this notice.

This information collection submission has now been submitted to OMB for review. Comments are again being solicited on the need for the information; the accuracy of the Agency's burden estimate; the quality, practical utility and clarity of the information to be collected; and on ways to minimize the reporting burden, including automated collection techniques and uses of other forms of technology. The proposed form under review, OMB control number 3420-0019, is summarized below.

DATES: Comments must be received within 30 calendar days of publication of this Notice.

ADDRESSES: Copies of the subject form and the request for review prepared for submission to OMB may be obtained from the Agency submitting officer. Comments on the form should be submitted to the Agency submitting officer.
