

its previous rule for the 2002 through 2007 period. A copy of these reports can be viewed and/or downloaded at: <http://www.nmfs.noaa.gov/pr/permits/incidental.htm#applications>.

In accordance with the current SURTASS LFA sonar regulations (50 CFR 216.186), the Navy has submitted classified quarterly mission reports. Under the first two LOA periods in the current rule, the Navy has not exceeded the take authorized by NMFS. Based on the submitted quarterly report for the 2009 LOAs, NMFS does not expect the Navy to exceed authorized take (requested and authorized) based on the Navy's 2009 application. The annual report for the 2009–2010 LOA is due on September 30, 2010. Upon receipt, NMFS will post this annual report on the same Internet address.

Authorization

NMFS has issued three LOAs to the U.S. Navy, authorizing the incidental harassment of marine mammals, incidental to operating the three SURTASS LFA sonar systems for training, testing and routine military operations. Issuance of these three LOAs is based on findings, described in the preamble to the final rule (72 FR 46846, August 21, 2007) and supported by information contained in the Navy's required reports on SURTASS LFA sonar, that the activities described under these three LOAs will have no more than a negligible impact on marine mammal stocks and will not have an unmitigable adverse impact on the availability of the affected marine mammal stocks for subsistence uses.

These LOAs remain valid through August 15, 2011, provided the Navy remains in conformance with the conditions of the regulations and the LOAs, and the mitigation, monitoring, and reporting requirements described in 50 CFR 216.184–216.186 (72 FR 46846, August 21, 2007) and in the LOAs are undertaken.

Dated: August 13, 2010.

BILLING CODE 3510–22–S

COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List Additions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Additions to the procurement list.

SUMMARY: This action adds products and services to the Procurement List that will be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

DATES: *Effective Date:* 9/20/2010.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Jefferson Plaza 2, Suite 10800, 1421 Jefferson Davis Highway, Arlington, Virginia 22202–3259.

FOR FURTHER INFORMATION CONTACT: Barry S. Lineback, Telephone: (703) 603–7740, Fax: (703) 603–0655, or e-mail CMTEFedReg@AbilityOne.gov.

SUPPLEMENTARY INFORMATION:

Additions

On 6/4/2010 (75 FR 31768–31769); 6/11/2010 (75 FR 33270–33271); 6/18/2010 (75 FR 34701–34702); and 6/25/2010 (75 FR 36363–36371), the Committee for Purchase From People Who Are Blind or Severely Disabled published notices of proposed additions to the Procurement List.

Comments were received from a commercial contractor indicating that its firm produces the Army Combat Uniform (ACU). The company indicates that their work on the ACU makes up 50% of the sales of their company and, therefore, the addition of the product to the Procurement List would constitute severe adverse impact on their company.

The Multi-Cam product is a new requirement of the U.S. Army, as aggregated by the Department of the Army Research, Development, and Engineering Command, Natick, MA and has not been procured previously. It does not replace other ACU items produced by other entities, including the company that submitted the comments.

The contracting activity has determined that 50% of their requirement for this new product can be provided by qualified nonprofit agencies associated with the AbilityOne Program. The Committee for Purchase From People Who Are Blind or Severely Disabled (Committee) has reviewed this project and determined that it is suitable for procurement by the government and that it will result in employment of people who are blind or who have other severe disabilities. Accordingly, the Committee has determined that the addition of this product to the Procurement List is proper.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide

the products and services and impact of the additions on the current or most recent contractors, the Committee has determined that the products and services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46–48c and 41 CFR 51–2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products and services to the Government.

2. The action will result in authorizing small entities to furnish the products and services to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46–48c) in connection with the products and services proposed for addition to the Procurement List.

End of Certification

Accordingly, the following products and services are added to the Procurement List:
