

Due to weather and logistical considerations, it was not possible to complete the action described in the notice in the time period originally envisioned; therefore the BLM will complete the action as soon after January 1, 2001, as is practical. The action will take place in the same manner, in the same places, employ the same practices for safe and humane treatment of the horses, and have the same effects as discussed in EA# WY-030-EA0-181.

EFFECTIVE DATE: January 2, 2001.

FOR FURTHER INFORMATION CONTACT: Cynthia Orlando, Concession Program Manager, National Park Service, Washington, DC, 20240, Telephone (202) 565-1210.

SUPPLEMENTARY INFORMATION: All of the listed concession authorizations will expire by their terms on or before December 31, 2000. The National Park Service has determined that the proposed short-term extensions are necessary in order to avoid interruption of visitor services and has taken all reasonable and appropriate steps to consider alternatives to avoid such interruption. These extensions will allow the National Park Service to complete and issue prospectuses leading to the competitive selection of concessioners for new longer-term concession contracts covering these operations.

Dated: November 22, 2000.

Cynthia Orlando,

Acting Associate Director, Park Operations and Education.

BILLING CODE 4310-70-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-894 (Preliminary)]

Certain Ammonium Nitrate From Ukraine

Determination

On the basis of the record ¹ developed in the subject investigation, the United States International Trade Commission determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C.

1673b(a)), that there is a reasonable indication that an industry in the United States is materially injured ² by reason of imports from Ukraine of certain ammonium nitrate ³ provided for in subheading 3102.30.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (LTFV).

Commencement of Final Phase Investigation

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigation. The Commission will issue a final phase notice of scheduling which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules upon notice from the Department of Commerce (Commerce) of an affirmative preliminary determination in the investigation under section 733(b) of the Act, or, if the preliminary determination is negative, upon notice of an affirmative final determination in that investigation under section 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigation need not enter a separate appearance for the final phase of the investigation. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations

² Commissioner Askey finds a reasonable indication that an industry in the United States is threatened with material injury.

³ The product covered by this investigation is solid, fertilizer grade ammonium nitrate, whether prilled, granular or in other solid form, with or without additives or coating, and with a bulk density equal to or greater than 53 pounds per cubic foot. Specifically excluded from this investigation is solid ammonium nitrate with a bulk density less than 53 pounds per cubic foot (commonly referred to as industrial or explosive grade ammonium nitrate).

have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.

Background

On October 13, 2000, a petition was filed with the Commission and the Department of Commerce by the Committee For Fair Ammonium Nitrate Trade ("COFANT") whose members include Air Products & Chemicals, Inc., Allentown, PA; Mississippi Chemical Corp., Yazoo City, MS; El Dorado Chemical Co., Oklahoma City, OK; La Roche Industries, Inc., Atlanta, GA; and Nitram, Inc., Tampa, FL, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV imports of certain ammonium nitrate from Ukraine. Accordingly, effective October 13, 2000, the Commission instituted antidumping duty investigation No. 731-TA-894 (Preliminary).

Notice of the institution of the Commission's investigation and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of October 20, 2000 (65 FR 63093). The conference was held in Washington, DC, on November 3, 2000, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in this investigation to the Secretary of Commerce on November 27, 2000. The views of the Commission are contained in USITC Publication 3374 (December 2000), entitled *Certain Ammonium Nitrate*

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).
