

Regional Project Number (IR-4) program that has been requested in 5 or more previous years, and for which a complete application for registration of that use and/or petition for tolerance of residues in or on the commodity has not yet been submitted to the Agency. The notice provides an opportunity for public comment on the application.

In 2011, the FDACS submitted a petition for tolerance to EPA that was subsequently withdrawn, and an application/petition has not been resubmitted to the Agency. The notice provides an opportunity for public comment on the application. EPA will review and consider all comments received during the comment period in determining whether to issue the specific exemption requested by the FDACS.

Availability of the BMD Model Code and BMD Modeling Output Files for the Draft IRIS Toxicological Review of Inorganic Arsenic; Notice of Comment Period

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of public comment period

SUMMARY: The Environmental Protection Agency (EPA) is announcing a public comment period on the benchmark dose (BMD) model code and BMD modeling output files associated with the Draft IRIS Toxicological Review of Inorganic Arsenic. The original **Federal Register** notice associated with the draft IRIS inorganic arsenic assessment was published on October 16, 2023, and closed on December 15, 2023. After reviewing the comments received on the draft assessment, EPA is opening an additional public comment period on the BMD model code and the BMD modeling output files that were not accessible by the public during the original comment period due to a technical issue. For submissions received during this public comment period, EPA will only address comments on the BMD model code and

BMD modeling output files, which are available at: <https://gaftp.epa.gov/EPADDataCommons/ORD/DRAFTiAsToxReview/>.

DATES: The 15-day public comment period begins December 29, 2023 and ends January 16, 2024. Comments must be received on or before January 16, 2024.

ADDRESSES: The BMD model code and BMD modeling output files for the draft IRIS Toxicological Review of Inorganic Arsenic are available via the internet on <https://gaftp.epa.gov/EPADDataCommons/ORD/DRAFTiAsToxReview/> and also accessible through the IRIS website www.epa.gov/iris.

FOR FURTHER INFORMATION CONTACT: For information on the public comment period, contact the ORD Docket at the EPA Headquarters Docket Center; telephone: 202-566-1752; facsimile: 202-566-9744; or email: Docket_ORD@epa.gov.

For technical information related to the BMD model code and BMD modeling output files for the draft IRIS Toxicological Review of Inorganic Arsenic or for issues related accessing the files, contact Ms. Vicki Soto, CPHEA; telephone: 202-564-3077; or email: soto.vicki@epa.gov. The IRIS Program will provide updates through the IRIS website (<https://www.epa.gov/iris>) and via EPA's IRIS listserv. To register for the IRIS listserv, visit the IRIS website (<https://www.epa.gov/iris>) or visit <https://www.epa.gov/iris/forms/staying-connected-integrated-risk-information-system#connect>.

SUPPLEMENTARY INFORMATION: How to Submit Technical Comments to the Docket at <https://www.regulations.gov>.

Submit your comments, identified by Docket ID No. EPA-HQ-ORD-2012-0830 for the BMD model code and BMD modeling output files for the draft inorganic arsenic IRIS assessment, by one of the following methods:

For information on visiting the EPA Docket Center Public Reading Room, visit <https://www.epa.gov/dockets>.

The telephone number for the Public Reading Room is 202-566-1744. The public can submit comments via www.regulations.gov or email.

Instructions: Direct your comments on the BMD model code and BMD modeling output files to docket number EPA-HQ-ORD-2012-0830 for Inorganic Arsenic IRIS Assessment.

Please ensure that your comments are submitted within the specified comment period. Comments received after the closing date will be marked "late," and may only be considered if time permits. It is EPA's policy to include all comments it receives in the public docket without change and to make the comments available online at www.regulations.gov, including any personal information provided, unless a comment includes information claimed to be Confidential Business Information (CBI) or other information for which disclosure is restricted by statute. Do not submit information through www.regulations.gov or email that you consider to be CBI or otherwise protected. The www.regulations.gov website is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an email comment directly to EPA without going through www.regulations.gov, your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. For additional information about EPA's public docket visit the EPA Docket Center homepage at www.epa.gov/epahome/dockets.htm.

Docket: Documents in the docket are listed in the www.regulations.gov index. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other materials, such as copyrighted material, are publicly available only in hard copy. Publicly available docket materials are available either electronically in www.regulations.gov or as a hard copy

at the ORD Docket in the EPA Headquarters Docket Center.

BILLING CODE 6560–50–P

FEDERAL COMMUNICATIONS COMMISSION

[FR ID: 194271]

Privacy Act of 1974; System of Records

AGENCY: Federal Communications Commission.

ACTION: Notice of a modified system of records.

SUMMARY: The Federal Communications Commission (FCC, Commission, or Agency) proposes to modify an existing system of records, FCC/OMD–24, Physical Access Control System (PACS), subject to the Privacy Act of 1974, as amended. This action is necessary to

meet the requirements of the Privacy Act to publish in the **Federal Register** notice of the existence and character of records maintained by the agency. The Commission uses this system to maintain records on those individuals to whom the FCC has issued credentials. This modification makes various necessary changes and updates, including formatting changes required by the Office of Management and Budget (OMB) Circular A–108 since its previous publication, the addition of three new routine uses, and the revision of five existing routine uses.

DATES: This modified system of records will become effective on December 29, 2023. Written comments on the routine uses are due by January 29, 2024. The routine uses in this action will become effective on January 29, 2024 unless comments are received that require a contrary determination.

ADDRESSES: Send comments to Brendan McTaggart, Attorney-Advisor, Office of General Counsel, Federal Communications Commission, 45 L Street NE, Washington, DC 20554, or to privacy@fcc.gov.

FOR FURTHER INFORMATION CONTACT: Brendan McTaggart, (202) 418–1738, or privacy@fcc.gov (and to obtain a copy of the Narrative Statement and the Supplementary Document, which includes details of the modifications to this system of records).

SUPPLEMENTARY INFORMATION: This notice serves to update and modify FCC/OMD–24, as a result of various necessary changes and updates. The substantive changes and modifications to the previously published version of the FCC/OMD–24 system of records include:

1. Updating the language in the Security Classification to follow OMB guidance.
2. Updating the language in the Purposes section to be consistent with the language and phrasing currently used generally in the FCC's SORNs and to reflect how the system is currently used (*e.g.*, the system no longer covers frequent visitors, credit union employees, restaurant employees, or parking permit data).
3. Modifying the language in the Categories of Individuals and Categories of Records for clarity; and for consistency with the current uses of the system (which now excludes frequent visitors, credit union employees, restaurant employees, and parking permit data) and with the language and phrasing currently used in the FCC's SORNs.
4. Updating and/or revising language in five routine uses (listed by current

routine use number): (1) Litigation; (2) Adjudication; (3) Law Enforcement and Investigation; (4) Congressional Inquiries; and (5) Government-wide Program Management and Oversight.

5. Adding three new routine uses (listed by current routine use number): (11) Breach Notification, the addition of which is as required by OMB Memorandum No. M–17–12; (12) Assistance to Federal Agencies and Entities Related to Breaches, the addition of which is required by OMB Memorandum No. M–17–12; and (13) Non-Federal Personnel.

6. Updating the SORN to include the relevant National Archives and Records Administration (NARA) records schedules.

The system of records is also updated to reflect various administrative changes related to the system managers and system addresses; policy and practices for storage and retrieval of the information; administrative, technical, and physical safeguards; and updated notification, records access, and contesting records procedures.
