Rural Housing Service

Notice of Funds Availability (NOFA) Inviting Applications for the Rural Community Development Initiative (RCDI); Correction

AGENCY: Rural Housing Service, USDA.

ACTION: Correction.

SUMMARY: The Rural Housing Service (RHS) is correcting a notice published April 3, 2002 (67 FR 15777-15786). This action is taken to correct the omission of a comma in the definition of an intermediary. This omission limited the groups eligible to be an intermediary. This correction will carry out the intent of the statutory language. This action is also taken to correct the documentation required for a nonprofit organization to

prove their nonprofit status. The original notice required a 501(c)(3) letter from the Internal Revenue Service (IRS) designating their nonprofit status. This correction will allow nonprofit organizations to provide a letter from IRS, a Certificate of Good Standing from the Secretary of State where the entity is located, or other valid documentation of their nonprofit status.

Accordingly, the notice published April 3, 2002 (67 FR 15777-15786) is corrected as follows:

On page 15778, in the first column, in the seventh paragraph under the heading "Definitions for RCDI Purposes," the definition for "Intermediary" should read "*Intermediary*—a qualified private, nonprofit or public (including tribal) organization that provides financial and technical assistance to multiple recipients. The applicant entity must have been organized for a minimum of three years."

On page 15778, in the second column, in the second paragraph, the definition for "Nonprofit organization" should read "*Nonprofit organization*—a private, community-based housing or community development entity with evidence of their nonprofit status. Examples of valid documentation of nonprofit status include, but are not limited to, a letter from the Internal Revenue Service (IRS) or a Certificate of Good Standing from the Secretary of State where the entity is located."

On page 15778, in the second column, under the heading "Eligibility Requirements," number "4" should read "4. Documentation must be submitted to verify recipient eligibility. Acceptable documentation varies depending on the type of recipient: a letter from the IRS, Certificate of Good Standing from the Secretary of State, or other valid documentation of nonprofit status is required for nonprofit recipients; for low-income community recipients, the Agency needs (a) evidence that the entity is a public body and (b) census data verifying that the median household income of the community, where the office receiving the financial and technical assistance is located, is at, or below, 80 percent of the state or national median household income; for federally recognized tribes, the Agency needs the page listing their name from the current **Federal Register** list of tribal entities recognized and eligible for funding services (see the definition of federally recognized tribes for details on this list).

On page 15778, in the third column, number "14" should read "14. A nonprofit recipient must provide evidence that they are a valid nonprofit

when the intermediary applies for the RCDI grant. Organizations with pending requests for nonprofit designations are not eligible."

On page 15779, in the third column, under the heading "Application Selection Process," number "2" should read "2. Applicants failed to provide evidence of recipient's status (e.g., documentation supporting nonprofit designation)."

On page 15782, in the third column, number "7.a." should read "a. Nonprofits—provide a valid letter from the IRS, Certificate of Good Standing from the Secretary of State, or other valid documentation of nonprofit status."

Dated: May 3, 2002.

Administrator, Rural Housing Service.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Census Bureau sponsors the SQ-CLASS, "Business and Professional Classification Report", to collect information needed to keep the retail,

wholesale, and service samples current with the business universe. Because of rapid changes in the marketplace caused by the emergence of new businesses, the deaths of others, transfer of ownership, mergers, and so forth, on a quarterly basis the Census Bureau canvasses a sample of new Employer Identification Numbers (EINs) obtained from the Internal Revenue Service (IRS) and the Social Security Administration (SSA). Each selected firm is canvassed once for kind of business classification, measure of size, and company affiliation on the establishments associated with the new EIN. In essence, from the perspective of the business firm, this is a one time collection of data. A different sample of EINs is canvassed four times a year.

We are revising the SQ-CLASS to improve the flow of the questions as well as to provide information needed to assign kind-of-business codes based on the North American Industry Classification System (NAICS).

II. Method of Collection

We collect this information by mail, fax, and telephone follow-up.

Foreign-Trade Zones Board

[Docket 21-2002]

Foreign-Trade Zone 113—Midlothian, TX; Request for Processing Authority, Siemens Westinghouse Power Corporation (Industrial Power Generating Equipment)

An application has been submitted to the Foreign-Trade Zones Board (the Board) by Trade Zone Operations, Inc., operator of FTZ 113, pursuant to section 400.28(a)(2) of the Board's regulations (15 CFR part 400), requesting authority on behalf of Siemens Westinghouse Power Corporation (SWPC) to process foreign-origin and domestic industrial power generating equipment under FTZ procedures within FTZ 113. It was formally filed on April 29, 2002.

SWPC is a producer of large industrial power generating turbines and generators that are installed in combined-cycle power plants operated by electric generation utilities. In the proposed processing activity (as defined in § 400.2(l)), foreign-origin steam turbines with a capacity of greater than 40 megawatts (HTSUS 8406.81.1070) would be admitted to the zone under nonprivileged foreign status (19 CFR 146.42) and U.S.-produced electric generators would be admitted under domestic status on a nonconcurrent basis. The turbines and generators would then be transferred from the zone in a combined Customs entry under the classification of electric generating sets (HTSUS 8502.39.0000), as provided by specific Customs rulings. The company indicates that this activity would occur on a recurring regular basis.

FTZ procedures would exempt SWPC from Customs duty payments on the foreign power generation turbines processed for export as electric generating sets. On withdrawals from the zone for Customs entry, SWPC would be able to elect the duty rate that applies to electric generator sets (2.5%) for the foreign turbines (6.7%). The application indicates that the savings from FTZ procedures would help

improve the SWPC's international competitiveness.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the following addresses:

1. *Submissions via Express/Package Delivery Services:* Foreign-Trade Zones Board, U.S. Department of Commerce, Franklin Court Building-Suite 4100W, 1099 14th Street, NW., Washington, DC 20005; or,

2. *Submissions via the U.S. Postal Service:* Foreign-Trade Zones Board, U.S. Department of Commerce, FCB-4100W, 1401 Constitution Ave., NW., Washington, DC 20230.

The closing period for their receipt is June 24, 2002. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to July 8, 2002).

A copy of the application will be available for public inspection at the Office of the Foreign-Trade Zones Board's Executive Secretary at address No. 1 listed above.

Dated: April 29, 2002.

Dennis Puccinelli,

Executive Secretary.
