Notice Pursuant to the National Cooperative Research and Production Act of 1993—VSI Alliance

Notice is hereby given that, on April 30, 2007, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), VSI Alliance has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Canadian Microelectronics Corp., Kingston, Ontario, CANADA; and UMC, Hsinchu City, TAIWAN have withdrawn as parties to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research

project remains open, and VSI Alliance intends to file additional written notifications disclosing all changes in membership.

On November 29, 1996, VSI Alliance filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on March 4, 1997 (62 FR 9812).

The last notification was filed with the Department on January 12, 2007. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on February 26, 2007 (72 FR 8402).

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Cooperative Research Group on Integrated Investigations of Faulting in Carbonate Strata

Notice is hereby given that, on September 10, 2007, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Southwest Research Institute ("SwRI"): Cooperative Research Group on Integrated Investigation of Faulting in Carbonate Strata has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties to the venture and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the identities of the parties to the venture are: Chevron Energy Technology Co., San Ramon, CA; ConocoPhillips Co., Houston, TX; ExxonMobil Upstream Research Co., Houston, TX; and Shell International Exploration & Production, Inc., Houston, TX. The general area of Cooperative Research Group on Integrated Investigation of Faulting in Carbonate Strata planned activity is to characterize the deformation features that develop in faulted carbonate rocks to provide analog information for understanding faulted carbonate hydrocarbon reservoirs.
