

DEPARTMENT OF TRANSPORTATION**Federal Highway Administration****[Docket No. FHWA–2013–0050]****Designation of the Primary Freight Network****AGENCY:** Federal Highway Administration (FHWA), DOT.**ACTION:** Notice of extension of deadline and comment period.

SUMMARY: The FHWA is extending the deadline and comment period for the Designation of the highway Primary Freight Network (PFN) notice, which was published on November 19, 2013, at 78 FR 69520. On December 11, 2013, the FHWA published a notice to extend the comment period at 78 FR 75442. The revised comment period is set to close on January 17, 2014. The extension is based on input received from DOT stakeholders that the January 17 closing date does not provide sufficient time for submission of comments to the docket. The FHWA agrees that the deadline and the comment period should be extended. Therefore, the closing date for submission of comments is extended to February 15, 2014, which will provide others interested in commenting additional time to submit comments to the docket.

DATES: Comments must be received on or before February 15, 2014.**ADDRESSES:** To ensure that you do not duplicate your docket submissions, please submit them by only one of the following means:

SUPPLEMENTARY INFORMATION:**Background**

On November 19, 2013, at 78 FR 69520, the FHWA published in the **Federal Register** a notice on the designation of the highway PFN.

The purpose of the notice was to publish the draft initial designation of the highway PFN as required by 23 U.S.C. 167(d), provide information regarding State designation of Critical Rural Freight Corridors (CRFCs) and the establishment of the complete National Freight Network (NFN), and to solicit comments on aspects of the NFN. The five areas for comment are: (1) Specific route deletions, additions, or modifications to the draft initial designation of the highway PFN contained in this notice; (2) the methodology for achieving a 27,000-mile final designation; (3) how the NFN and its components could be used by freight stakeholders in the future; (4) how the NFN may fit into a multimodal National Freight System; and (5) suggestions for an urban-area route designation process.

On December 11, 2013, the FHWA published a notice to extend the comment period at 78 FR 75442. The revised comment period for the notice closes on January 17, 2014. However, DOT stakeholders have expressed concern that this closing date does not provide sufficient time for submission of comments to the docket. To allow time for interested parties to submit comments, the closing date is changed from January 17, 2014 to February 15, 2014.

Authority: 23 U.S.C. 167; Section 1115 of Pub. L. 112–141.

Issued on: January 14, 2014.

Gregory G. Nadeau,
Deputy Administrator, Federal Highway Administration.

ADDRESSES: See Supplementary Information for further information regarding submitting petitions or comments to Docket Number FRA–2014–0001.

SUPPLEMENTARY INFORMATION: On May 19, 2009, FRA published a direct final rule addressing the establishment of ERDs and the procedures for handling petitions for emergency waivers of safety rules, regulations, or standards during an emergency situation or event. 74 FR 23329. That direct final rule became effective on July 20, 2009, and made minor modifications to Title 49 Code of Federal Regulations (CFR) 211.45 in FRA's Rules of Practice published at 49 CFR part 211.
