FOR FURTHER INFORMATION CONTACT: Brian Smith, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-1766.

SUPPLEMENTARY INFORMATION:**Statutory Time Limits**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("Department") to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Background

On April 26, 2006, the Department partially extended the time limit for the preliminary results in this review until August 1, 2006. *See Stainless Steel Wire Rod from Sweden: Notice of Extension of Time Limit for 2004-2005 Administrative Review*, 71 FR 25813 (May 2, 2006).

Extension of Time Limits for Preliminary Results

As a result of recent meetings which took place between the interested

parties and Department officials on June 19 and 22, 2006, the Department requires additional time to consider a model matching criteria issue raised by the respondent in this review and seek additional comment on the matter. Thus, it is not practicable to complete the preliminary results of this review by August 1, 2006. Therefore, the Department is fully extending the time limit for completion of the preliminary results to 365 days, in accordance with section 751(a)(3)(A) of the Act. The preliminary results are now due no later than October 2, 2006, the next business day after 365 days from the last day of the anniversary month of the order. The deadline for the final results continues to be 120 days after publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 11, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION: Section 702 of the Trade Agreements Act of

1979 (as amended) ("the Act") requires the Department of Commerce ("the Department") to determine, in consultation with the Secretary of Agriculture, whether any foreign government is providing a subsidy with respect to any article of cheese subject to an in-quota rate of duty, as defined in section 702(h) of the Act, and to publish an annual list and quarterly updates of the type and amount of those subsidies. We hereby provide the Department's quarterly update of subsidies on articles of cheese that were imported during the period January 1, 2006, through March 31, 2006.

The Department has developed, in consultation with the Secretary of Agriculture, information on subsidies (as defined in section 702(h) of the Act) being provided either directly or indirectly by foreign governments on articles of cheese subject to an in-quota rate of duty. The appendix to this notice lists the country, the subsidy program or programs, and the gross and net amounts of each subsidy for which information is currently available. The Department will incorporate additional programs which are found to constitute subsidies, and additional information on the subsidy programs listed, as the information is developed.

The Department encourages any person having information on foreign government subsidy programs which benefit articles of cheese subject to an in-quota rate of duty to submit such information in writing to the Assistant Secretary for Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

This determination and notice are in accordance with section 702(a) of the Act.

Dated: July 12, 2006.

David M. Spooner,

Assistant Secretary for Import Administration.
