Pontzer, J.D., Ph.D., Technology Licensing Specialist, Office of Technology Transfer, National Institutes of Health, 6011 Executive Boulevard, Suite 325, Rockville, MD 20852-3804; telephone: (301) 496-7736, ext. 284; facsimile: (301) 402-0220, e-mail: np59n@ott.nih.gov. A signed Confidential Disclosure Agreement will be required to receive copies of the patent application.

SUPPLEMENTARY INFORMATION: Current cancer treatment with chemotherapy or radiation is often accompanied by serious side effects related to cytotoxicity at non-cancerous tissue sites. Depression of bone marrow function is one of the most serious side effects in terms of patient morbidity and mortality. CanFite discovered that Adenosine A3 agonists had both a protective action in preventing neutropenia after cancer therapy and in mobilizing bone marrow stem cells for harvest. They found that these agonists also appear to have direct anti-cancer actions.

The prospective exclusive license will be royalty-bearing and will comply with the terms and conditions of 35 U.S.C. 209 and 37 CFR 404.7. The prospective exclusive license may be granted unless, within 60 days from the date of this published Notice, NIH receives written evidence and argument that establishes that the grant of the license would not be consistent with the requirements of 35 U.S.C. 209 and 37 CFR 404.7.

Properly filed competing applications for a license filed in response to this notice will be treated as objections to the contemplated license. Comments and objections submitted in response to this notice will not be made available for public inspection, and, to the extent permitted by law, will not be released under the Freedom of Information Act, 5 U.S.C. 552.

Dated: May 13, 2002.

Jack Spiegel,

Director, Division of Technology Development and Transfer, Office of Technology Transfer.

BILLING CODE 4140-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

Prospective Grant of Exclusive License: Treatment of Central Nervous System Disorders With a Combination of Dopaminergic and Adrenergic Antagonists

AGENCY: National Institutes of Health, Public Health Service, DHHS.

ACTION: Notice.

SUMMARY: This is notice, in accordance with 35 U.S.C. 209(c)(1) and 37 CFR 404.7(a)(1)(i), that the National Institutes of Health (NIH), Department of Health and Human Services, is contemplating the grant of an exclusive license worldwide to practice the invention embodied in: U.S. Patent Numbers 5,492,907, filed December 9, 1992, issued February 20, 1996 and 5,663,167, filed June 7, 1995, issued September 2, 1997, both entitled "Antipsychotic composition and method of treatment" to Potomac Pharma, Inc., having a place of business in Cabin John, Maryland. The patent rights in these inventions have been assigned to the United States of America.

The contemplated exclusive license may be limited to the use of methods disclosed and claimed in the invention and treatment of human central nervous system disorders.

DATES: Only written comments and/or applications for a license which are received by the NIH Office of Technology Transfer on or before July 22, 2002, will be considered.

ADDRESSES: Requests for a copy of the patent application, inquiries, comments and other materials relating to the contemplated license should be directed to: Norbert J. Pontzer, J.D., Ph.D., Technology Licensing Specialist, Office of Technology Transfer, National Institutes of Health, 6011 Executive Boulevard, Suite 325, Rockville, MD 20852-3804; telephone: (301) 496-7736, ext. 284; facsimile: (301) 402-0220, e-mail: np59n@ott.nih.gov. A signed Confidential Disclosure Agreement will be required to receive copies of the patent application.

SUPPLEMENTARY INFORMATION: A significant number of patients suffering from schizophrenia prove resistant to treatment with typical neuroleptics. Scientists at the NIH discovered that the administration of an alpha₂-adrenergic receptor antagonist unexpectedly enhances the therapeutic effect of typical antipsychotic neuroleptics. The

present invention provides an improved treatment for patients suffering from serious psychotic mental illness who have proven resistant to treatments with known typical antipsychotic neuroleptics alone.

The prospective exclusive license will be royalty-bearing and will comply with the terms and conditions of 35 U.S.C. 209 and 37 CFR 404.7. The prospective exclusive license may be granted unless, within 60 days from the date of this published Notice, NIH receives written evidence and argument that establishes that the grant of the license would not be consistent with the requirements of 35 U.S.C. 209 and 37 CFR 404.7.

Properly filed competing applications for a license filed in response to this notice will be treated as objections to the contemplated license. Comments and objections submitted in response to this notice will not be made available for public inspection, and, to the extent permitted by law, will not be released under the Freedom of Information Act, 5 U.S.C. 552.

Dated: May 13, 2002.

BILLING CODE 4140-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Fiscal Year (FY) 2002 Funding Opportunities

AGENCY: Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Notice of funding availability.

SUMMARY: The Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Substance Abuse Prevention (CSAP) announces the availability of FY 2002 funds for cooperative agreements for the following activity. This notice is not a complete description of the activity; potential applicants must obtain a copy of the Guidance for Applicants (GFA), including Part I, Ecstasy, Other Club Drugs, Methamphetamine and Inhalant Prevention Intervention Cooperative Agreements (SP 02-001), and Part II, General Policies and Procedures Applicable to all SAMHSA Applications for Discretionary Grants and Cooperative Agreements, before preparing and submitting an application.

Activity	Application deadline	Est. funds FY 2002	Est. number of awards	Project period
Ecstasy, Other Club Drugs, Methamphetamine and Inhalant Prevention Intervention Cooperative Agreements.	July 10, 2002	\$4,000,000	12	1 year.

The actual amount available for the award may vary, depending on unanticipated program requirements and the number and quality of applications received. FY 2002 funds for the activity discussed in this announcement were appropriated by the Congress under Public Law No. 106-310. SAMHSA's policies and procedures for peer review and Advisory Council review of grant and cooperative agreement applications were published in the **Federal Register** (Vol. 58, No. 126) on July 2, 1993.

General Instructions: Applicants must use application form PHS 5161-1 (Rev. 7/00). The application kit contains the two-part application materials (complete programmatic guidance and instructions for preparing and submitting applications), the PHS 5161-1 which includes Standard Form 424 (Face Page), and other documentation and forms. Application kits may be obtained from: National Clearinghouse for Alcohol and Drug Information (NCADI), PO Box 2345, Rockville, MD 20847-2345, Telephone: 1-800-729-6686.

The PHS 5161-1 application form and the full text of the activity are also available electronically via SAMHSA's World Wide Web Home Page: <http://www.samhsa.gov>

When requesting an application kit, the applicant must specify the particular activity for which detailed information is desired. All information necessary to apply, including where to submit applications and application deadline instructions, are included in the application kit.

Purpose: Congress has authorized the Substance Abuse and Mental Health Services Administration's Center for Substance Abuse Prevention to announce the availability of Fiscal Year 2002 funds for cooperative agreements for developing, implementing and pilot testing Ecstasy, and other Club Drugs and Methamphetamine and Inhalant Prevention Interventions.

Applicants may address either one of the following topics:

- Ecstasy and other club drug prevention interventions.
- Methamphetamine and/or inhalant prevention interventions.

Eligibility: Units of State and local governments or Indian tribes and tribal organizations, and domestic private non-profit organizations may apply.

These organizations can include:

- Community-based organizations
- Managed care and other health care delivery systems
- Universities and colleges
- Faith-based organizations
- City/county government units
- Local law enforcement agencies
- Other public and non-profit private entities

Availability of Funds: Approximately \$4 million will be available for one year. Approximately 12 awards will be made in total costs (direct and indirect) for up to \$350,000 for one year.

- About \$2 million for 6 awards will be allocated to ecstasy and other club drug prevention interventions.

- About \$2 million for 6 awards will be allocated to methamphetamine and/or inhalant prevention interventions.

Period of Support: Awards may be requested for one year.

Criteria for Review and Funding:
General Review Criteria: Competing applications requesting funding under this activity will be reviewed for technical merit in accordance with established PHS/SAMHSA peer review procedures. Review criteria that will be used by the peer review groups are specified in the application guidance material.

Award Criteria for Scored Applications: Applications will be considered for funding on the basis of their overall technical merit as determined through the peer review group and the appropriate National Advisory Council review process. Availability of funds will also be an award criteria. Additional award criteria specific to the programmatic activity may be included in the application guidance materials.

Catalog of Federal Domestic Assistance Number: 93.243.

Program Contact: For questions concerning program issues, contact: Soledad Sambrano, Ph.D. Or Pamela C. Roddy, Ph.D., Center for Substance Abuse Prevention, Substance Abuse and Mental Health, Services Administration, Rockwall II, Suite 1075, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-9110, E-Mail: ssambran@samhsa.gov, proddy@samhsa.gov.

For questions regarding cooperative agreement management issues, contact: Steve Hudak, Division of Grants Management, OPS/SAMHSA, Rockwall II, 6th floor, 5600 Fishers Lane,

Rockville, MD 20857, (301) 443-9666, E-Mail: shudak@samhsa.gov.

Public Health System Reporting Requirements: The Public Health System Impact Statement (PHSIS) is intended to keep State and local health officials apprised of proposed health services grant and cooperative agreement applications submitted by community-based nongovernmental organizations within their jurisdictions.

Community-based nongovernmental service providers who are not transmitting their applications through the State must submit a PHSIS to the head(s) of the appropriate State and local health agencies in the area(s) to be affected not later than the pertinent receipt date for applications. This PHSIS consists of the following information:

- a. A copy of the face page of the application (Standard form 424).
- b. A summary of the project (PHSIS), not to exceed one page, which provides:

- (1) A description of the population to be served.

- (2) A summary of the services to be provided.

- (3) A description of the coordination planned with the appropriate State or local health agencies.

State and local governments and Indian Tribal Authority applicants are not subject to the Public Health System Reporting Requirements. Application guidance materials will specify if a particular FY 2002 activity is subject to the Public Health System Reporting Requirements.

PHS Non-use of Tobacco Policy Statement: The PHS strongly encourages all grant and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products.

In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of a facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

Executive Order 12372: Applications submitted in response to the FY 2002 activity listed above are subject to the intergovernmental review requirements of Executive Order 12372, as

implemented through DHHS regulations at 45 CFR part 100. E.O. 12372 sets up a system for State and local government review of applications for Federal financial assistance. Applicants (other than Federally recognized Indian tribal governments) should contact the State's Single Point of Contact (SPOC) as early as possible to alert them to the prospective application(s) and to receive any necessary instructions on the State's review process. For proposed projects serving more than one State, the applicant is advised to contact the SPOC of each affected State. A current listing of SPOCs is included in the application guidance materials. The SPOC should send any State review process recommendations directly to: Division of Extramural Activities, Policy, and Review, Substance Abuse and Mental Health Services Administration, Parklawn Building, Room 17-89, 5600 Fishers Lane, Rockville, Maryland 20857.

The due date for State review process recommendations is no later than 60 days after the specified deadline date for the receipt of applications. SAMHSA does not guarantee to accommodate or explain SPOC comments that are received after the 60-day cut-off.

Dated: May 9, 2002.
Richard Kopanda,
Executive Officer, Substance Abuse and Mental Health Services Administration.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Fiscal Year (FY) 2002 Funding Opportunities

AGENCY: Substance Abuse and Mental Health Services Administration, DHHS.

ACTION: Notice of funding availability.

SUMMARY: The Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Mental Health Services (CMHS) announces the availability of FY 2002 funds for a cooperative agreement for the following activity. This notice is not a complete description of the activity; potential applicants must obtain a copy of the Guidance for Applicants (GFA), including Part I, State Mental Health Data Infrastructure Grants (SM 02-015), and Part II, General Policies and Procedures Applicable to all SAMHSA Applications for Discretionary Grants and Cooperative Agreements, before preparing and submitting an application.

Activity	Application deadline	Est. funds FY 2002	Est. number of awards	Project period
State Mental Health Data Infrastructure Grants	July 24, 2002	\$550,000	7	3 years.

The actual amount available for the award may vary, depending on unanticipated program requirements and the number and quality of applications received. FY 2002 funds for the activity discussed in this announcement were appropriated by the Congress under Public Law 106-310. SAMHSA's policies and procedures for peer review and Advisory Council review of grant and cooperative agreement applications were published in the **Federal Register** (Vol. 58, No. 126) on July 2, 1993.

General Instructions: Applicants must use application form PHS 5161-1 (Rev. 7/00). The application kit contains the two-part application materials (complete programmatic guidance and instructions for preparing and submitting applications), the PHS 5161-1 which includes Standard Form 424 (Face Page), and other documentation and forms. Application kits may be obtained from: Knowledge Exchange Network, P.O. Box 42490, Washington, DC 20015, 800-789-2647.

The PHS 5161-1 application form and the full text of the activity are also available electronically via SAMHSA's World Wide Web Home Page: <http://www.samhsa.gov>.

When requesting an application kit, the applicant must specify the particular activity for which detailed information is desired. All information necessary to

apply, including where to submit applications and application deadline instructions, are included in the application kit.

Purpose: The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Mental Health Services (CMHS), announces the availability of fiscal year (FY) 2002 funds for State Mental Health Data Infrastructure Grants for State Uniform Reporting.

The purpose of this program is to develop and sustain State and community data infrastructure that helps promote comprehensive, community-based systems of care for all children and adults with mental illness or at risk of developing mental illness. Information systems are important tools to improve accountability, increase access, target resources, and continuously improve quality of care.

In this announcement, four grants to State Mental Health Authorities (SMHAs) and three grants to the Mental Health Authority in U.S. Territories are available for developing infrastructure for future data compilation of the Uniform Data Reporting under the Block Grant Program, to be reported as part of the CMHS Block Grant Application. Developing data capacity for the CMHS 16-State Indicator Pilot Grant program is also part of the effort for States that can complete Uniform Reporting Measures.

The grant project is a collaborative effort of the Survey and Analysis Branch and the State Planning and Systems Development Branch, within the Division of State and Community Systems Development.

Eligibility: The following are eligible to apply:

- Applicants must be State Mental Health Authorities or the equivalent in the District of Columbia.
- Applicants must be State Mental Health Authority equivalents in U.S. Territories.

• Previous grantees in this program are not eligible to apply, as they are already conducting the activities supported by the grant.

Availability of Funds: Approximately \$550,000 will be available for seven awards. The average annual award will be \$100,000 for each State Mental Health Authority and \$50,000 for each U.S. Territory (direct and indirect).

An award may be made * * * "only if the applicant agrees to make available (directly or through donations from public or private entities) non-Federal contributions toward such costs in an amount that is not less than 50 percent of such costs * * * Non-Federal contributions * * * may be in cash or in kind, fairly evaluated, including plant, equipment, or services assisted or subsidized to any significant extent by the Federal Government may not be
