DEPARTMENT OF LABOR

Wage and Hour Division

Proposed Extension and Revision of the Approval of Information Collection Requirements

AGENCY: Wage and Hour Division, Labor.

ACTION: Notice.

SUMMARY: The Department of Labor (DOL), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995. 44 U.S.C. 3506(c)(2)(A). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

Currently, the Wage and Hour Division is soliciting comments concerning its proposal to extend Office of Management and Budget (OMB) approval of the Information Collections: Application for a Farm Labor Contractor or Farm Labor Contractor Employee Certificate of Registration; Motor Vehicle Safety for Transportation of Migrant and Seasonal Agricultural Workers. SUPPLEMENTARY INFORMATION:

I. *Background:* The Migrant and Seasonal Agricultural Worker Protection Act (MSPA) provides that no person shall engage in any farm labor contracting activity for any money or

valuable consideration paid or promised to be paid, unless such person has a certificate of registration from the Secretary of Labor specifying which farm labor contracting activities such person is authorized to perform. See 29 U.S.C. 1802(7), 1811(a); 29 CFR 500.1(c), -.20(i), -.40. The MSPA also provides that a Farm Labor Contractor (FLC) shall not hire, employ, or use any individual to perform farm labor contracting activities unless such individual has a certificate of registration as a FLC or a certificate of registration as a Farm Labor Contractor Employee (FLCE) of the FLC that authorizes the activity for which such individual is hired, employed or used. 29 U.S.C. 1811(b); 29 CFR 500.1(c). Form WH-530 is an application used to obtain a Farm Labor Contractor License. This information collection is currently approved for use through June 30, 2012.

The Migrant and Seasonal Agricultural Worker Protection Act (MSPA) section 401 (29 U.S.C. 1841) requires, subject to certain exceptions, all Farm Labor Contractors (FLCs), Agricultural Employers (AGERS), and Agricultural Associations (AGASs) to ensure that any vehicle they use or cause to be used to transport or drive any migrant or seasonal agricultural worker conforms to safety and health standards prescribed by the Secretary of Labor under the MSPA and with other applicable Federal and State safety standards. These MSPA safety standards address the vehicle, driver, and insurance. The Wage and Hour Division (WHD) has created Forms WH-514, WH-514a, and WH-515, which allow FLC applicants to verify to the WHD that the vehicles used to transport migrant/seasonal agricultural workers meet the MSPA vehicle safety standards and that anyone who drives such workers meets the Act's minimum physical requirements. The WHD uses the information in deciding whether to authorize the FLC/FLC Employee applicant to transport/drive any migrant/seasonal agricultural worker(s) or to cause such transportation. Form WH-514 is used to verify that any vehicle used or caused to be used to transport any migrant/seasonal agricultural worker(s) meets the Department of Transportation (DOT) safety standards. When the adopted DOT rules do not apply, FLC applicants seeking authorization to transport any migrant/seasonal agricultural workers use Form WH-514a to verify that the vehicles meet the DOL safety standards and, upon the vehicle meeting the required safety standards, the form is completed. Form WH-515 is a doctor's

certificate used to document that a motor vehicle driver or operator meets the minimum DOT physical requirements that the DOL has adopted. This information collection is currently approved for use through September 30, 2013. **Note:** The Paperwork Reduction Act package for the WH-514, WH-514A and WH-515 formerly approved under the Information Collection 1235-0017 are being rolled into this information collection.

II. *Review Focus:* The DOL is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions:* The DOL seeks to extend the information collection requests for the Application for a Farm Labor Contractor or Farm Labor Contractor Employee Certificate of Registration; Motor Vehicle Safety for Transportation of Migrant and Seasonal Agricultural Workers and the Doctor's Certification (minimum physical requirements to drive a vehicle). Additionally, DOL seeks the approval of the revisions of the subject information collection requirements in the Farm Labor Contractor/Farm Labor Contractor Employee Application (WH-530) in order to verify that FLCs, AGERs, and AGASs have complied with all applicable safety standards. Transportation Authorization (T/A) and/or Driving Authorization (D/A) on the Farm Labor Contractor/Farm Labor Contractor Employee License may only be obtained once vehicle inspection (WH-514, -514a) and the Doctor's Certification (WH-515) have been provided.
