

changes are consistent with certain proposed amendment to and exemptions from the CAT NMS Plan, facilitate the retirement of certain existing regulatory systems, and are designed to assist the Exchange in meeting its regulatory obligations pursuant to the Plan. NYSE American also notes that the amendments to the Compliance Rules will apply equally to all Industry Members that trade NMS Securities and OTC Equity Securities. In addition, all national securities exchanges and FINRA are proposing these amendments to their Compliance Rules. Therefore, this is not a competitive rule filing, and, therefore, it does not impose a burden on competition.

[Release No. 34-87995; File No. SR-NASDAQ-2019-057]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Designation of Longer Period for Commission Action on a Proposed Rule Change To Amend Rule 4121

January 16, 2020.

On July 16, 2019, The Nasdaq Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission ("Commission") pursuant

to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend Nasdaq Rule 4121 ("Trading Halts Due to Extraordinary Market Volatility") to enhance the re-opening auction process for Nasdaq-listed securities following trading halts due to extraordinary market volatility. The proposed rule change was published for comment in the **Federal Register** on July 25, 2019.³ On September 5, 2019, the Commission extended the time period within which to either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to approve or disapprove the proposed rule change, to October 23, 2019.⁴ On October 23, 2019, the Commission instituted proceedings pursuant to Section 19(b)(2)(B) of the Act⁵ to determine whether to approve or disapprove the proposed rule change.⁶ The Commission received no comment letters on the proposed rule change.

Section 19(b)(2) of the Act⁷ provides that, after initiating disapproval proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule change was published for notice and comment in the **Federal Register** on July 25, 2019. January 21, 2020 is 180 days from that date, and March 21, 2020 is 240 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider the proposed rule change. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,⁸ designates March 20, 2020 as the date by which the Commission shall either approve or

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–87985; File No. SR–CboeBZX–2020–002]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Relating To Amend Its Rules Governing the Give Up of a Clearing Member by a User on Exchange Transactions

January 16, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on January 2, 2020, Cboe BZX Exchange, Inc. (the “Exchange” or “BZX”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b–4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe BZX Exchange, Inc. (the “Exchange” or “BZX Options”) proposes to amend its rules governing the give up of a Clearing Member by a User on Exchange transactions. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s website (http://markets.cboe.com/us/equities/regulation/rule_filings/bzx/), at the Exchange’s Office of the Secretary,

and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 21.12, which governs the give up of a Clearing Member⁵ by a User⁶ on Exchange transactions, to substantially conform to Cboe Exchange, Inc. (“Cboe Options”) Rule 5.10, proposed Cboe EDGX Exchange, Inc. (“EDGX Options”) Rule 21.12, and proposed Cboe C2 Exchange, Inc. (“C2 Options”) Rule 6.30.⁷

Background

Under current Exchange rules, Users entering transactions on the Exchange must either be a Clearing Member or must establish a clearing arrangement with a Clearing Member, and must have a Letter of Guarantee issued by a Clearing Member. In addition, under current Rule 21.12, a User must give up the name of the Clearing Member through which each transaction will be cleared. Every Clearing Member accepts financial responsibility for all BZX Options transactions made by the guaranteed User pursuant to Exchange Rule 22.8(b) (Terms of Letter Guarantee). The proposed amendment will result in a more structured and coherent streamlined give up process on the Exchange as it will align with the give up functionality on BZX Options with that currently available on Cboe

Options, C2 Options, and EDGX Options.

Additionally, beginning in early 2018, certain Clearing Members (in conjunction with the Securities Industry and Financial Markets Association (“SIFMA”)) expressed concerns related to the process by which executing brokers on U.S. options exchanges (the “Exchanges”) are allowed to designate or ‘give up’ a clearing firm for purposes of clearing particular transactions. The SIFMA-affiliated Clearing Members have recently identified the current give up process as a significant source of risk for clearing firms. SIFMA-affiliated Clearing Members subsequently requested that the Exchanges alleviate this risk by amending Exchange rules governing the give up process.⁸ Therefore, the Exchange is now seeking to amend its Rule 21.17 to align with applicable rules of the Exchanges and also to substantially conform to existing Cboe Options Rule 5.10 and proposed EDGX Options Rule 22.12 and C2 Options Rule 6.30.

Proposed Rule

The Exchange proposes to amend Rule 21.12 by replacing the current rule text with details regarding the give up procedure for a User executing transactions on the Exchange. As amended, Rule 21.12 would provide that a User may indicate, at the time of the trade or through post trade allocation, any Options Clearing Corporation (“OCC”) number of the Clearing Member through which the transaction will be cleared (“give up”)

⁸ Cboe Options recently modified its give up procedure under rule 5.10 to allow clearing trading permit holders to “Opt In” such that the clearing trading permit holder (“TPH”) may specify which Cboe Options TPH organizations are authorized to give up that clearing trading permit holder. See Securities and Exchange Act Release No. 86401 (July 17, 2019), 84 FR 35433 (July 23, 2019) (SR–CBOE–19–036). Nasdaq PHLX LLC (“PHLX”), NYSE Arca, Inc., (“NYSE Arca”), and NYSE American LLC (“NYSE American”) also recently modified their respect give up rules to adopt an “Opt In” process; see also Securities and Exchange Act Release No. 85136 (February 14, 2019), 84 FR 5526 (February 21, 2019) (SR–PHLX–2018–72), Securities and Exchange Act Release No. 85871 (May 16, 2019), 84 FR 23613 (May 22, 2019) (SR–NYSEArca 2019–32) and Securities and Exchange Act Release 85875 (May 16, 2019), 84 FR 23591 (May 22, 2019) (SR–NYSEAMER–2019–17). The Exchange’s proposal leads to the same result of providing its Clearing Member’s the ability to control risk and includes PHLX’s, NYSE Arca’s and NYSE American’s “Opt In” process, but it otherwise differs slightly in process from their give up rules. For example, the Exchange intends to maintain its provisions relating to Designated Give Ups and eliminate its provisions relating to the rejection of a trade. The Exchange’s proposal is substantially the same as the current give up process on Cboe Options.

⁹ The 240th day from publication in the **Federal Register** is March 21, 2020, which is a Saturday. Therefore, the date by which the Commission must take action is designated to be March 20, 2020.
