

the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

*Title and purpose of information collection:* Vocational Report; OMB 3220-0141.

Section 2 of the Railroad Retirement Act (RRA) provides for payment of disability annuities to qualified employees and widow(ers). The establishment of permanent disability for work in the applicants "regular occupation" or for work in any regular employment is prescribed in 20 CFR 220.12 and 220.13 respectively.

The RRB utilizes Form G-251, Vocational Report, to obtain an applicant's work history. This information is used by the RRB to determine the effect of a disability on an applicant's ability to work. Form G-251 is designed for use with the RRB's disability benefit application forms and is provided to all applicants for employee disability annuities and to those applicants for a widow(er)'s disability annuity who indicate that they have been employed at some time. Completion is required to obtain or retain a benefit. One response is requested of each respondent.

The RRB proposed non-burden impacting formatting and editorial changes to Form G-251. The completion time for Form G-251 is estimated at between thirty and 40 minutes per response. The RRB estimates that approximately 6,000 Form G-251's are completed annually.
