

activities to carry out the programs of, or supported by the Department of Agriculture. 5 U.S.C. 3111 grants agencies the authority to establish programs designed to provide educationally related work assignments for students in non-pay status. The volunteer program will provide a valuable service to the Farm Service Agency (FSA).

In FSA volunteer program, each individual must follow the same responsibilities and guidelines to conduct to which Federal Government employees are expected to follow. The individuals, who are mainly students participating in the sponsored volunteer program, must complete the "Service Agreement and Attendance Records," and other forms, with providing required supporting documents. The collected information is to allow FSA to effectively recruit, train, and accept volunteers to carry out programs supported by the Department of Agriculture.

Without the collected information, FSA would be unable to document services without compensation in the program. FSA is reporting the collected information to the Department of Agriculture and the Office of Personnel Management that request information on volunteer programs.

Estimate of Burden: The recordkeeping requirements in this request are normal business records and, therefore, have no burden. Public reporting burden for this information collection is estimated to average 15 minutes per response. The average travel time, which is included in the total annual burden, is estimated to be 1 hour per respondent.

Type of Responses: Individuals.

Estimated Number of Respondents: 60.

Estimated Number of Responses per Respondent: 1.33.

Estimated Total Annual Responses: 80.

Estimated Total Annual Burden Hours: 30 hours.

We are requesting comments on all aspects of this information collection to help us to:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility and clarity of the information to be collected;

(4) Minimize the burden of the collection of information on those who

are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments in response to this notice, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the request for OMB approval.

Signed in Washington, DC, on May 17, 2011.

Carolyn B. Cooksie,

Acting Administrator, Farm Service Agency.
