Privacy Act of 1974; System of Records

AGENCY: Office of the Secretary, OSD.

ACTION: Notice to amend systems of records.

SUMMARY: The Office of the Secretary of Defense is amending a system of records notice in its existing inventory of record systems subject to the Privacy Act of 1974 (5 U.S.C. 552a), as amended.

DATES: *Effective Date:* January 9, 2007.

FOR FURTHER INFORMATION CONTACT: Ms. Juanita Irvin at (703) 696-4940.

SUPPLEMENTARY INFORMATION: The Notice was published on May 23, 2005, in the **Federal Register** (70 FR 29486). The commenters also remarked that the Department of Defense ("DoD") should not be engaged in direct marketing activities; that the collection and use of Social Security Numbers (SSNs) is unauthorized and poses significant risks to an individual's privacy; that the transfer of information from the DoD to a private contractor is inappropriate and that adequate security for the database is lacking; and, that the Department does not provide a means by which an individual may elect to have his or her data deleted from the database. The JAMRS Database is maintained in a manner that is consistent with the Privacy Act and other statutes and regulations relating to the Department's recruiting authority. In its discretion, however, the Department has determined that the publication of a revised Systems Notice, providing further explanation and clarification of the manner in which the JAMRS Database is maintained, is appropriate at this time.

The Department received a comment asserting that the maintenance of the JAMRS Database violates the Privacy Act. Commenters assert that Congress, in enacting the Privacy Act, sought to restrict the amount of personal information that Federal agencies could collect and maintain on individuals; that direct marketing by the DoD does not constitute an authorized purpose or use of the information; and that agencies
