At its June 2015 meeting, the Council requested that, in addition to providing the BSAI Halibut Prohibited Species Catch (PSC) Progress Report,

Amendment 80 cooperatives provide their 2016 Halibut PSC Management Plans at the December 2015 Council meeting. Since 2011, all vessels and companies participating in the Amendment 80 sector have been affiliated with one of two Amendment 80 cooperatives, the Alaska Seafood Cooperative or the Alaska Groundfish Cooperative. Title of Collection: 2016–2017 Federal Student Aid Application.

OMB Control Number: 1845–0001.

Type of Review: A revision of an existing information collection.

Respondents/Affected Public: Individuals or households.

Total Estimated Number of Annual Responses: 40,135,807.

Abstract: Section 483 of the Higher Education Act of 1965, as amended (HEA), mandates that the Secretary of Education “. . . shall produce,

distribute, and process free of charge common financial reporting forms as described in this subsection to be used for application and reapplication to determine the need and eligibility of a student for financial assistance . . .”.

The determination of need and eligibility are for the following title IV, HEA, federal student financial assistance programs: the Federal Pell Grant Program; the Campus-Based programs (Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Work-Study (FWS), and the Federal Perkins Loan Program); the William D. Ford Federal Direct Loan Program; the Teacher Education Assistance for College and Higher Education (TEACH) Grant; and the Iraq and Afghanistan Service Grant.

Federal Student Aid, an office of the U.S. Department of Education (hereafter “the Department”), subsequently developed an application process to collect and process the data necessary to determine a student's eligibility to receive title IV, HEA program assistance. The application process involves an applicant's submission of the Free Application for Federal Student Aid (FAFSA®). After submission of the FAFSA, an applicant receives a Student Aid Report (SAR), which is a summary of the data they submitted on the FAFSA. The applicant reviews the SAR, and, if necessary, will make corrections or updates to their submitted FAFSA data. Institutions of higher education listed by the applicant on the FAFSA also receive a summary of processed data submitted on the FAFSA which is called the Institutional Student Information Record (ISIR).

The Department seeks OMB approval of all application components as a single “collection of information”. The aggregate burden will be accounted for under OMB Control Number 1845–0001. The specific application components, descriptions and submission methods for each are listed in Table 1.
