A. Overview of Information Collection

Title of Information Collection: Public Housing Admissions/Occupancy Policy.
OMB Approval Number: 2577-0220.

Type of Request: Extension.
Form Number: Not Applicable.

Description of the need for the information and proposed use: Statute requires HUD to ensure the low-income character of public housing projects and to assure that sound management practices will be followed in the operation of the project. Public Housing Agencies (PHAs) enter into an Annual Contribution Contract (ACC) with HUD to assist low-income tenants. HUD regulations, Part 960, provide policies and procedures for PHAs to administer the low-income housing program for admission and occupancy. Statutory and regulatory authority grants PHAs flexibility to structure admission and occupancy policies. PHAs must develop and keep on file the admissions and continued occupancy policies to meet local preferences. PHA compliance will support the statute; and, HUD can ensure that the low-income character of the project and sound management practices will be followed.

Number of respondents (PHAs)	Responses annually	** Hours per response	Total annual burden hours	Cost per hour	Total annual cost
3,278	3,278	60	196,680	\$18.30	\$3,599,244
