ISO New England Inc., et al.; Bangor Hydro-Electric Company, et al.; The Consumers of New England v. New England Power Pool; Notice of Compliance Filing

August 17, 2004.

Take notice that on August 11, 2004, ISO New England Inc and the New England Transmission Owners (ISO) submitted a report in compliance with the Commission's March 24, 2004 in Docket No. RT04-2-000, *et al.*, 106 FERC ¶61,280 (2004).

ISO states that copies of the filing have been served upon all parties to this proceeding, upon all NEPOOL Participants (electronically), non-Participant Transmission Customers, and the governors and regulatory agencies of the six New England States.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC
