SUPPLEMENTARY INFORMATION:

I. Abstract

Pub. L. 97-446, as amended by Pub. L. 103-465, Pub. L. 106-36 and Pub. L. 108-429, requires the Departments of Commerce and the Interior to administer the distribution of watch duty-exemptions and watch and jewelry duty-refunds to program producers in the U.S. insular possessions and the Northern Mariana Islands. The primary consideration in collecting information is the enforcement of the laws and the information gathered is limited to that necessary to prevent abuse of the program and to permit a fair and equitable distribution of its benefits. Form ITA-340P provides the data to assist in verification of duty-free shipments of watches into the United States and make certain the allocations are not exceeded. Forms ITA-360P and ITA-361P are necessary to implement the duty-refund program for the watch and jewelry producers. The duty-refund benefit is issued biannually and forms ITA-360P and ITA-361P are used for the distribution of the duty-refund benefit. Due to the passage of Pub. L. 106-36 and Pub. L. 108-429, we will be updating the forms ITA-360P and ITA-361P. The updates will not include any new collections of data.

II. Method of Collection

The Department of Commerce issues Form ITA-360P to each watch and jewelry producer biannually. No information is requested unless the recipient wishes to transfer the certificate. Form ITA-361P is obtained from the Department of Commerce and

must be completed each time a certificate holder wishes to obtain a portion, or all, of the duty-refund authorized by the certificate. The form is then sent to the Department of Commerce for validation and returned to the producer. Form ITA-340P may be obtained from the territorial government or may be produced by the company in an approved computerized format or any other medium or format approved by the Departments of Commerce and the Interior. The form is completed for each duty-free shipment of watches and watch movements into the U.S. and a copy is transmitted to the territorial government. Only if entry procedures are not transmitted electronically through Customs and Border Protection's automated broker interface, do the regulations require a copy of the permit be sent to Customs and Border Protection along with other entry paperwork.
