Summary of Information Collection

DFARS 252.225-7000, Buy American Act-Balance of Payments Program Certificate, as prescribed in 225.1101(1), requires an offeror to identify, in its proposal, supplies that are not domestic end products, separately listing qualifying country and other foreign end products.

DFARS 252.225-7003, Report of Intended Performance Outside the United States and Canada-Submission with Offer, and 252.225-7004, Report of Intended Performance Outside the United States and Canada-Submission after Award, as prescribed in 225.7204(a) and (b), require offerors and contractors to submit a report addressing subcontracts to be performed

outside the United States. The reporting threshold is \$550,000 for contracts that exceed \$11.5 million. The contractor may submit the report on DD Form 2139, Report of Contract Performance Outside the United States, or a computer-generated report that contains all information required by DD Form 2139.

DFARS 252.225-7005, Identification of Expenditures in the United States, as prescribed in 225.1103(1), requires contractors incorporated or located in the United States to identify, on each request for payment under contracts for supplies to be used, or for construction or services to be performed, outside the United States, that part of the requested payment representing estimated expenditures in the United States.

DFARS 252.225-7006, Quarterly Reporting of Actual Contract Performance Outside the United States, as prescribed at 225.7204(c) for use in solicitations and contracts with a value exceeding \$550,000, requires reporting of subcontracts that exceed the simplified acquisition threshold and are performed outside the United States.

DFARS 252.225-7013, Duty-Free Entry, as prescribed in 225.1101(4), requires the contractor to provide information on shipping documents and customs forms regarding products that are eligible for duty-free entry.

DFARS 252.225-7018, Notice of Prohibition of Certain Contracts with Foreign Entities for the Conduct of Ballistic Missile Defense Research, Development, Test, and Evaluation, as prescribed in 225.7017-4, gives notice of the statutory prohibition on award of a contract to a foreign government or firm, if the contract provides for the conduct of research, development, test, or evaluation in connection with the Ballistic Missile Defense Program. The provision requires an offeror to indicate whether it is or is not a U.S. firm.

DFARS 252.225-7020, Trade Agreements Certificate, as prescribed in 225.1101(5), requires an offeror to list the item number and country of origin of any nondesignated country end product that it intends to furnish under the contract. This provision is used in all solicitations for products subject to the Trade Agreements Act.

DFARS 252.225-7025, Restriction on Acquisition of Forgings, as prescribed in 225.7102-4, requires the contractor to retain records showing compliance with the requirement that end items and their components delivered under the contract contain forging items that are of domestic manufacture only. The contractor must retain the records for 3 years after final payment and must make the records available upon request of the

contracting officer. The contractor may request a waiver of this requirement in accordance with DFARS 225.7102-3.

DFARS 252.225-7032, Waiver of United Kingdom Levies-Evaluation of Offers, and 252.225-7033, Waiver of United Kingdom Levies, as prescribed in 225.1101(7) and (8), require an offeror to provide information to the contracting officer regarding any United Kingdom levies included in the offered price, and require the contractor to provide information to the contracting officer regarding any United Kingdom levies to be included in a subcontract that exceeds \$1 million, before award of the subcontract.

DFARS 252.225-7016, Restriction on Acquisition of Ball and Roller Bearings, previously covered by OMB Clearance 0704-0229, no longer contains an information collection requirement. The revision to this clause published at 71 FR 14110 on March 21, 2006, eliminated the requirement for contractor retention of records showing compliance with the restriction until 3 years after final payment. In addition, DFARS 225.7009-3 no longer requires the contractor to submit a written plan for transitioning to domestically manufactured bearings, for a waiver under a multiyear contract or a contract exceeding 12 months.
