SUPPLEMENTARY INFORMATION: Section 408(a) of the Employee Retirement Income Security Act (ERISA) authorizes the Secretary of Labor "to grant a conditional or unconditional exemption of any fiduciary or class of fiduciaries or transactions, from all or part of the restrictions imposed by section 406 and 407(a)." Class exemption PTE 77-4, which was originally granted on April 8, 1977, exempts from the prohibited transaction restrictions the purchase and sale by an employee benefit plan of shares from a registered, open-end investment company (mutual fund) when a fiduciary of the plan (*e.g.*, an investment manager) is also the investment advisor for the investment company. The exemption requires disclosure of any redemption fees in the current prospectus and approval of the advisory fees by a second fiduciary so that the plan fiduciary can make informed judgments with respect to the prudence of the transactions.
