FGT states that in *Interstate Natural Gas Association of America v. FERC*, 285 F. 3d 18 (DC Cir. 2002) (INGAA), the United States Court of Appeals for the District of Columbia remanded certain issues to the Commission regarding Order No. 637. Among other things, the Order removed the term matching cap for Shippers exercising their Right-of-First Refusal ("ROFR"). FGT states that in the instant filing, it is proposing modifications to the ROFR provisions of its Tariff. Specifically, FGT states it is modifying section 20.B.4 of its General Terms and Conditions ("GT&C") by removing tariff provisions where Shippers are only required to match term provisions up to five years.
