**Removal of References to Obsolete Navigation Systems; Technical Amendment**

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Final rule; technical amendment.

**SUMMARY:** The Federal Aviation Administration (FAA) is removing references to the obsolete navigation systems Loran, Omega and Consol that currently appear in FAA regulations.

**SUPPLEMENTARY INFORMATION:**

**Good Cause for Immediate Adoption Without Prior Notice**

Section 553(b)(3)(B) of the Administrative Procedure Act (APA) (5 U.S.C. 551 *et seq.*) authorizes agencies to dispense with notice and comment procedures for rules when the agency for “good cause” finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under this section, an agency, upon finding good cause, may issue a final rule without seeking comment prior to the rulemaking. Further, section 553(d)(3) of the APA requires that agencies publish a rule not less than 30 days before its effective date, except as otherwise provided by the agency for good cause found and published with the rule.

This technical amendment removes obsolete references in title 14 Code of Federal Regulations (CFR) parts 1, 63, 121, 125, 135, 147, and 170. Loran, Consol, and Omega ground stations have ceased operations, which makes these avionics receivers obsolete and useless. Continued mention of these obsolete navigation aids in title 14 of the CFR serves no purpose, and could only confuse the public. Any additional delay in correcting the regulations would be unnecessary because the

changes affect terms referencing navigation aids that ceased operations over 6 years ago and as such, are not in use. Further, these corrections will not impose any additional restrictions on the persons affected by these regulations because the amendments merely align the CFR with the current state of affairs regarding operational navigation aids.

Based on the foregoing, public comment and a 30-day effective date would be unnecessary and thus, the FAA finds good cause to forgo public comment and to make the amendment effective in less than 30 days.

Technical Amendment

Loran, Consol, and Omega ground stations ceased operations over six years ago and are no longer in use. See 75 FR 22674 (April 29, 2010); 75 FR 42819 (July 22, 2010); 73 FR 26465 (May 9, 2008); 73 FR 46345 (August 8, 2008) and Amendment 71 to ICAO Annex 10, Volume 1, *Aeronautical Telecommunications* (adopted 12 March 1996). Therefore, with this technical amendment, the FAA is removing all references to these obsolete navigation systems from title 14 of the CFR.

### Extension of Sunset Date for Attorney Advisor Program

**AGENCY:** Social Security Administration.

**ACTION:** Final rule.

**SUMMARY:** We are extending for six months our rule authorizing attorney advisors to conduct certain prehearing proceedings and to issue fully favorable decisions. The current rule is scheduled to expire on August 4, 2017. In this final rule, we are extending the sunset date to February 5, 2018. We are making no other substantive changes.

**DATES:** This final rule is effective July 25, 2017.

**FOR FURTHER INFORMATION CONTACT:** Patrick McGuire, Social Security Administration, 5107 Leesburg Pike, Falls Church, VA 22041–3260, 703–605–7100 for information about this final rule. For information on eligibility or filing for benefits, call our national

toll-free number, 800–772–1213 or TTY 800–325–0778, or visit our Internet site, Social Security Online, at <http://www.socialsecurity.gov>.

### SUPPLEMENTARY INFORMATION:

#### Background of the Attorney Advisor Program

On August 9, 2007, we issued an interim final rule permitting some attorney advisors to conduct certain prehearing proceedings and issue fully favorable decisions when the documentary record warrants doing so. 72 FR 44763. We instituted this practice to provide more timely service to the increasing number of applicants for Social Security disability benefits and Supplemental Security Income payments based on disability. We considered the public comments we received on the interim final rule, and on March 3, 2008, we issued a final rule without change. 73 FR 11349. Under this rule, some attorney advisors may develop claims and, in appropriate cases, issue fully favorable decisions before a hearing.

We originally intended the attorney advisor program to be a temporary modification to our procedures. Therefore, we included in §§ 404.942(g) and 416.1442(g) of the interim final rule a provision that the program would end on August 10, 2009, unless we decided to either terminate the rule earlier or extend it beyond that date by publication of a final rule in the **Federal Register**. Since that time, we have periodically extended the sunset date (see 74 FR 33327 extending to August 10, 2011; 76 FR 18383 extending to August 9, 2013; and 78 FR 45459 extending to August 7, 2015). As we noted above, the current sunset date for the program is August 4, 2017. 80 FR 31990.

#### Explanation of Extension

We published the final rule to adopt without change the interim final rule that we published on August 9, 2007. We stated our intent to monitor the program closely and to modify it if it did not meet our expectations. 73 FR 11349.

We explained in the 2008 final rule that the number of requests for hearings

had increased significantly in recent years. From 2008 to the present, the number of pending hearing requests has continued to remain at a high level, and we anticipate that we will continue to receive several hundred thousand hearing requests in each of the next two fiscal years.<sup>1</sup> The attorney advisor program has assisted our efforts to address the high number of pending hearing requests, so we are extending the program at this time.

To preserve the maximum degree of flexibility we need to manage our hearings-level workloads effectively, we have decided to extend the attorney advisor rule for six months until February 5, 2018. As before, we reserve the authority to end the program earlier, to extend it by publishing a final rule in the **Federal Register**, or to discontinue it altogether.

### Regulatory Procedures

#### Justification for Issuing Final Rule Without Notice and Comment

We follow the Administrative Procedure Act (APA) rulemaking procedures specified in 5 U.S.C. 553 when developing regulations. Section 702(a)(5) of the Social Security Act, 42 U.S.C. 902(a)(5). The APA provides exceptions to its notice and public comment procedures when an agency finds there is good cause for dispensing with such procedures because they are impracticable, unnecessary, or contrary to the public interest. We have determined that good cause exists for dispensing with the notice and public comment procedures for this rule. 5 U.S.C. 553(b)(B). Good cause exists because this final rule only extends the sunset date of an existing rule. It makes no substantive changes to the rule. The current regulations expressly provide that we may extend or terminate this rule. Therefore, we have determined that opportunity for prior comment is unnecessary, and we are issuing this rule as a final rule.

<sup>1</sup> Our budget estimates for fiscal year 2018 (available at: <https://www.ssa.gov/budget/FY18Files/2018BST.pdf>) indicate that we expect to receive approximately 632,000 hearing requests in fiscal year 2017, and 645,000 in fiscal year 2018.
