

On May 8, 2001 the Chairman of CITA received a petition on behalf of The Freudenberg Nonwovens Group alleging that microfilament fabric of continuous polyester and nylon filaments with average size of 0.02 to 0.8 decitex, classified in HTSUS subheading 5603.11.0090, 5603.12.0090, 5603.13.0090 or 5603.14.9090, cannot be supplied by the domestic industry in commercial quantities in a timely manner and requesting that the President proclaim quota- and duty-free treatment under the CBTPA for apparel articles that are cut and sewn or otherwise assembled in one or more CBTPA beneficiary countries from such fabrics.

CITA is soliciting public comments regarding this request, particularly with respect to whether such fabrics can be supplied by the domestic industry in commercial quantities in a timely manner. Also relevant is whether fabrics that are supplied by the domestic industry in commercial quantities in a timely manner are substitutable for the fabric for purposes of the intended use. Comments must be received no later than May 30, 2001. Interested persons are invited to submit six copies of such comments or information to the Chairman, Committee for the Implementation of Textile Agreements, room 3100, U.S. Department of Commerce, 14th and Constitution Avenue, NW., Washington, DC 20230.

If a comment alleges that such fabrics can be supplied by the domestic industry in commercial quantities in a timely manner, CITA will closely review any supporting documentation, such as a signed statement by a manufacturer of the fabric stating that it produces the fabric that is the subject of the request, including the quantities that can be supplied and the time necessary to fill an order, as well as any relevant information regarding past production.

CITA will protect any business confidential information that is marked business confidential from disclosure to the full extent permitted by law. CITA will make available to the public non-confidential versions of the request and non-confidential versions of any public comments received with respect to a request in room 3100 in the Herbert Hoover Building, 14th and Constitution Avenue, NW., Washington, DC 20230. Persons submitting comments on a request are encouraged to include a non-

confidential version and a non-confidential summary.
