(3) On other measures that might be taken to accommodate the interests of visitors to national parks; and

(4) At the request of the Administrator and the Director, safety, environmental, and other issues related to commercial air tour operations over a national park or tribal lands.”

Membership

The current NPOAG is made up of one member representing general aviation, three members representing the commercial air tour industry, four members representing environmental concerns, and two members representing Native American tribes. Members serve three year terms. Current members of the NPOAG are as follows:

Murray Huling representing general aviation; Eric Lincoln, James Viola, and John Becker representing commercial air tour operators; Robert Randall, Dick Hingson, Les Blomberg, and John Eastman representing environmental interests; and Carl Slater representing Native American tribes, with one current opening. The three-year term of Mr. Randall expires on September 18, 2022.

Selections

In order to retain balance within the NPOAG, the FAA and NPS are seeking candidates interested in filling the one current vacant seat representing Native American tribes and the one upcoming seat representing environmental concerns. The FAA and NPS invite persons interested in these openings on the NPOAG to contact Mr. Keith Lusk (contact information is written above in **FOR FURTHER INFORMATION CONTACT**). Requests to serve on the NPOAG must be made to Mr. Lusk in writing and postmarked or emailed on or before July 29, 2022. Any request to fill one of these seats must describe the requestor's affiliation with federally-recognized Native American tribes or any environmental stakeholder groups, as appropriate. The request should also explain what expertise the requestor would bring to the NPOAG as related to issues and concerns with aircraft flights over national parks or tribal lands. The term of service for NPOAG members is 3 years. Members may re-apply for another term.

On August 13, 2014, the Office of Management and Budget issued revised guidance regarding the prohibition against appointing or not reappointing federally registered lobbyists to serve on advisory committees (79 FR 47482).

Therefore, before appointing an applicant to serve on the NPOAG, the

FAA and NPS will require the prospective candidate to certify that they are not a federally registered lobbyist.

Issued in El Segundo, CA, on June 13, 2022.
