

(SHPO), and other consulting parties in compliance with the NHPA and its implementing regulations. MARAD has determined that a PA is a more effective and efficient means to implement consultation under Section 106 of the NHPA due to the Undertaking's complexity and unknown outcome. As part of the Section 106 and PA process, MARAD, ACHP, SHPO, and other consulting parties, are exploring and considering all NSS disposition options and alternatives that could avoid, minimize, or mitigate these impacts once the vessel's nuclear power plant is decommissioned and the NRC license is terminated.

Pursuant to 36 CFR part 800.2(d)(2), this serves as MARAD's notification concerning this Undertaking and its effects on the NSS and welcomes public input and comments.

How long do I have to submit comments?

We are providing a 45-day comment period.

How do I prepare and submit comments?

Your comments must be written in English.

To ensure that your comments are correctly filed in the Docket, please include the Docket Number shown at the beginning of this document in your comments.

If you are submitting comments electronically as a PDF (Adobe) File, MARAD asks that the documents be submitted using the Optical Character Recognition (OCR) process, thus allowing MARAD to search and copy certain portions of your submissions. Comments may be submitted to the docket electronically by logging onto the Docket Management System website at <http://www.regulations.gov>. Search using the MARAD docket number and follow the online instructions for submitting comments.

You may also submit two copies of your comments, including the attachments, to Docket Management at the address given above under **ADDRESSES**.

Please note that pursuant to the Data Quality Act, for substantive data to be relied upon and used by the agency, it must meet the information quality standards set forth in the OMB and DOT Data Quality Act guidelines.

Accordingly, we encourage you to consult the guidelines in preparing your comments. OMB's guidelines may be accessed at <http://www.whitehouse.gov/omb/fedreg/reproducible.html>. DOT's

guidelines may be accessed at http://www.bts.gov/programs/statistical_policy_and_research/data_quality_guidelines.

How can I be sure that my comments were received?

If you wish Docket Management to notify you upon its receipt of your comments, enclose a self-addressed, stamped postcard in the envelope containing your comments. Upon receiving your comments, Docket Management will return the postcard by mail.

How do I submit confidential business information?

Confidential business information (CBI) is commercial or financial information that is both customarily and actually treated as private by its owner. Under the Freedom of Information Act (FOIA) (5 U.S.C. 552), CBI is exempt from public disclosure. If your comments contain commercial or financial information that is customarily treated as private, that you actually treat as private, and that is relevant or responsive to this notice, it is important that you clearly designate the submitted comments as CBI. Please mark each page of your submission that constitutes CBI as "PROPIN" to indicate it contains proprietary information. MARAD will treat such marked submissions as confidential under the FOIA, and they will not be placed in the public docket of this interim final rule. Submissions containing CBI should be sent to the email address provided in the **FOR FURTHER INFORMATION CONTACT** section. In addition, you should submit two copies, from which you have deleted the claimed confidential business information, to Docket Management at the address given above under **ADDRESSES**. Any comments MARAD receives which are not specifically designated as CBI will be placed in the public docket for this rulemaking.

Will the agency consider late comments?

We will consider all comments that Docket Management receives before the close of business on the comment closing date indicated above under **DATES**. To the extent possible, we will also consider comments that Docket Management receives after that date.

How can I read the comments submitted by other people?

You may read the comments received by Docket Management at the address given above under **ADDRESSES**. The hours of the Docket are indicated above in the same location. You may also see

the comments on the internet. To read the comments on the internet, go to <http://www.regulations.gov>. Follow the online instructions for accessing the dockets. Please note that, even after the comment closing date, we will continue to file relevant information in the Docket as it becomes available. Further, some people may submit late comments. Accordingly, we recommend that you periodically check the Docket for new material.

Privacy Act

Anyone can search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19477–78), or you may visit <http://dms.dot.gov>.
