DEPARTMENT OF DEFENSE

Department of the Army; Corps of Engineers

Notice of Amendment to the Notice of Intent To Prepare an Environmental Impact Statement (EIS) for the Millennium Bulk Terminals—Longview Shipping Facility Project

AGENCY: U.S. Army Corps of Engineers (Corps), DoD.

ACTION: Notice of Intent.

SUMMARY: Millennium Bulk Terminals—Longview, LLC (MBTL) is proposing to construct and operate a shipping facility near Longview, Washington. Department of the Army (DA) authorization is required pursuant to

Section 10 of the Rivers and Harbors Act of 1899 and Section 404 of the Clean Water Act. The Corps has determined the proposed project may have significant individual and/or cumulative impacts on the human environment. The Corps is working in collaboration with the Cowlitz County Building and Planning Department (County) and the Washington State Department of Ecology (WDOE), to prepare separate federal and state Environmental Impact Statements (EISs) in accordance with the National Environmental Policy Act (NEPA) of 1969, as amended, and the Washington State Environmental Policy Act (SEPA). The Corps will serve as the lead federal agency for purposes of preparing a NEPA EIS, while the County and WDOE will serve as lead agencies for purposes of preparing a SEPA EIS. This Notice of Intent amends the notice published in the **Federal Register** on August 14, 2013 (78 FR 49484) by providing additional and updated information on a separate but synchronized environmental review and public scoping process.

DATES: The scoping period for the EIS began August 16, 2013. Written comments regarding the scope of the EIS, including the environmental analysis, range of alternatives, and potential mitigation actions should be submitted to the address below or by email to

comments@millenniumbulkeiswa.gov by the closing date of the EIS scoping period, November 18, 2013.

ADDRESSES: Written comments regarding issues to be addressed in the NEPA EIS and requests to be included on the EIS notification mailing list should be submitted to Ms. Danette L. Guy, U.S. Army Corps of Engineers, Seattle District in care of MBTL EIS, 710 Second Avenue, Suite 550, Seattle, Washington, 98104.

FOR FURTHER INFORMATION CONTACT: Ms. Danette L. Guy by email at danette.l.guy@usace.army.mil, by regular mail at (see **ADDRESSES**), or by telephone at (206) 316-3048.

SUPPLEMENTARY INFORMATION:

Preparation of an EIS will support the Corps' eventual decision to either issue, issue with conditions, or deny a DA permit for the proposed action. As part of the NEPA process, the Corps will gather and analyze information to compare the potential environmental effects of possible project alternatives and a "no action" alternative in the EIS. An EIS will be prepared to assess the potential social, economic and environmental impacts of the project, and will be sufficient in scope to address Federal regulatory requirements
