International Trade Administration

Civil Nuclear Trade Advisory Committee

AGENCY: International Trade Administration, Industry and Analysis, U.S. Department of Commerce.

ACTION: Notice of renewal of the Civil Nuclear Trade Advisory Committee and solicitation of nominations for membership.

SUMMARY: Pursuant to provisions of the Federal Advisory Committee Act, the Department of Commerce (the Department) announces the renewal of the Civil Nuclear Trade Advisory Committee (CINTAC or "Committee") and requests nominations for membership. The purpose of the CINTAC is to provide advice to the Secretary of Commerce regarding the development and administration of programs to expand U.S. exports of civil nuclear goods and services in accordance with applicable U.S. laws and regulations, which will be used by the Department in its role as a member of the Civil Nuclear Trade Working Group of the Trade Promotion Coordinating Committee and of the TeamUSA interagency group to promote U.S. civil nuclear trade.

DATES: Nominations for members must be received on or before 5:00 p.m. Eastern Daylight Time (EDT) on

September 23, 2022. After that date, the International Trade Administration (ITA) may continue to accept nominations under this notice to fill any vacancies that may arise.

ADDRESSES: Nominations may be emailed to jonathan.chesebro@trade.gov.

FOR FURTHER INFORMATION CONTACT: Jonathan Chesebro, Senior Nuclear Trade Specialist, Office of Energy & Environmental Industries, U.S. Department of Commerce; telephone: (202) 603-4968; email: jonathan.chesebro@trade.gov.

SUPPLEMENTARY INFORMATION:

I. Background and Authority

The CINTAC was established on August 13, 2008, pursuant to the Department of Commerce authority under 15 U.S.C. 1512 and the Federal Advisory Committee Act, as amended (FACA), 5 U.S.C. app. The CINTAC functions solely as an advisory committee in accordance with the provisions of FACA. The CINTAC provides advice to the Secretary of Commerce regarding the development and administration of programs to expand U.S. exports of civil nuclear goods and services which will be used by the Department in its role as a member of the Civil Nuclear Trade Working Group of the Trade Promotion Coordinating Committee and as a member of the TeamUSA interagency group to promote U.S. civil nuclear trade. In particular, the Committee advises on matters including, but not limited to:

(1) Matters concerning trade policy development and negotiations relating to U.S. civil nuclear exports;

(2) The effect of U.S. Government policies, regulations, programs, and foreign government policies and practices on the export of U.S. civil nuclear goods and services;

(3) The competitiveness of U.S. industry and its ability to compete for civil nuclear products and services opportunities in international markets, including specific problems in exporting, and provide specific recommendations regarding U.S. Government and public/private actions to assist civil nuclear companies in expanding their exports;

(4) The identification of priority civil nuclear products and services markets with the potential for high immediate returns for U.S. exports, as well as emerging markets with a longer-term potential for U.S. exports;

(5) Strategies to increase private sector awareness and effective use of U.S. Government export promotion

programs, and recommendations on how U.S. Government programs may be more efficiently designed and coordinated;

(6) The development of complementary industry and trade association export promotion programs, including ways for greater and more effective coordination of U.S. Government efforts with private sector organizations' civil nuclear industry export promotion efforts; and

(7) The development of U.S. Government programs to encourage producers of civil nuclear products and services to enter new foreign markets, in connection with which CINTAC may advise on how to gather, disseminate, and promote awareness of information on civil nuclear exports and related trade issues.

II. Membership

CINTAC shall consist of approximately 40 members appointed by the Secretary, in accordance with applicable Department of Commerce guidance and based on their ability to carry out the objectives of the Committee. Members shall represent U.S. entities involved in the export of civil nuclear products and services and reflect the diversity of this sector, including in terms of entities' size and geographic location. The Committee shall also represent the diversity of company or organizational roles in the development of civil nuclear energy projects, including, for example, U.S. civil nuclear manufacturing and services companies, U.S. utilities, U.S. trade associations, and other U.S. organizations or civil society groups in the U.S. civil nuclear sector. Members will be selected based on their ability to carry out the objectives of the CINTAC, in accordance with applicable Department of Commerce guidelines. In selecting members, priority will be given to the selection of executives, *i.e.*, Chief Executive Officer, Executive Chairperson, President, or an officer with a comparable level of responsibility. The diverse membership of the Committee assures perspectives reflecting the full breadth of the Committee's responsibilities, and, where possible, the Department will also consider the ethnic, racial, and gender diversity and various abilities of the United States population. The Department is committed to achieving diversity in the membership of the Council to the maximum extent permitted by law consistent with the need for balanced industry representation. The Department may seek additional nominations as necessary to attain membership balance

and demographic diversity. The Secretary shall appoint to the Committee at least one individual representing each of the following:

- a. Civil nuclear manufacturing and services companies;
- b. small businesses;
- c. utilities;
- d. trade associations in the civil nuclear sector;
- e. research institutions and universities; and
- f. private sector organizations or other appropriate civil society groups, such as labor representatives, involved in strengthening the export competitiveness of U.S. civil nuclear products and services.

Members shall serve in a representative capacity, expressing the views and interests of a U.S. entity, as well as its particular subsector; they are, therefore, not Special Government Employees as defined in Title 18 of United States Code, section 202(a). Each member of the Committee must be a U.S. citizen and must not be registered as a foreign agent under the Foreign Agents Registration Act. No member may represent a U.S. entity that is majority owned or controlled by a foreign government entity (or foreign government entities). The Secretary of Commerce invites applications for the CINTAC, consistent with the above membership requirements. To be considered for membership, submit the following information (2 pages maximum) by 5:00 p.m. EDT on September 23, 2022, to the email listed in the **ADDRESSES** section. If you are interested in nominating someone to become a member of the CINTAC, please provide the following information (2 pages maximum):

- (1) Name;
- (2) Title;
- (3) Work phone and email address;
- (4) Name of entity to be represented and address including website address;
- (5) Short biography of nominee including credentials;
- (6) Brief description of the entity and its business activities, size (number of employees and annual sales), and export markets served; and,
- (7) An affirmative statement that the applicant and entity to be represented meet all eligibility criteria, specifically addressing that the applicant:
 - (a) Is a U.S. citizen; and
 - (b) Is not required to register as a foreign agent under the Foreign Agents Registration Act of 1938, as amended.

Please do not send organization brochures or any other information.

All applications should be submitted in pdf or MS Word format via email to Jonathan Chesebro, Senior Nuclear

Trade Specialist at the U.S. Department of Commerce's Office of Energy & Environmental Industries at jonathan.chesebro@trade.gov.

Nominees selected for appointment to the Committee will be notified by email.

Dated: August 29, 2022.

Man K. Cho,

Deputy Director, Office of Energy and Environmental Industries.

Common Alloy Aluminum Sheet From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2020-2021

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that certain companies under review sold common alloy aluminum sheet (aluminum sheet) from the People's Republic of China (China) at less than normal value during the period of review (POR) February 1, 2020, through January 31, 2021.

DATES: Applicable September 8, 2022.

FOR FURTHER INFORMATION CONTACT: Frank Schmitt, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4880.

SUPPLEMENTARY INFORMATION:

Background

Commerce published the *Preliminary Results* of this administrative review on March 4, 2022.¹ After publication of the *Preliminary Results*, interested parties filed case and rebuttal briefs.² On June

15, 2022, we extended the deadline for these final results until August 23, 2022.³ On August 19, 2022, we extended the deadline for these final results until August 31, 2022.⁴ For a full summary of the events that occurred since Commerce published the *Preliminary Results*, see the Issues and Decision Memorandum.⁵ Commerce conducted this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order⁶

The merchandise covered by the *Order* is common alloy aluminum sheet from China. For a complete description of the scope of the *Order*, see the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs filed by interested parties are addressed in the Issues and Decision Memorandum. A list of these issues is attached to this notice.⁷ The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be found at <https://access.trade.gov/public/FRNotices/ListLayout.aspx>.

Changes From the Preliminary Results

Based on our analysis of the record and the comments received from interested parties, we made certain changes to a surrogate value unit of measure conversion and to the calculation of surrogate financial ratios. Additionally, we changed the surrogate value used for the purchased recycled aluminum input. For a discussion of these changes, see the Issues and Decision Memorandum.
