

capabilities to support full-spectrum military operations and reduce its sustainment tails and logistics footprint.

Strategies to Optimize Army Operating and Generating Forces for 2025 & Beyond. This study contains classified and unclassified material and will be presented in the open and closed portions of the meeting. The purpose of the study is to develop strategies for rebalancing the Army operating and generating force to retain or gain capabilities in the mid-term (2025) and beyond (2030–2040). This study will identify opportunities to improve the efficiency of operating force combat service support and generating force capabilities to help provide the means to invest in core operational capabilities.

Human Interaction and Behavioral Enhancement. This study is not classified and will be presented in the open portion of the meeting. The purpose of this study is to identify and assess methods and techniques to understand, interact and influence human behavior in support of Army missions.

Force 2025 and Beyond. This study is not classified and will be presented in the open portion of the meeting. This study will provide findings and recommendations for operational concepts and advanced technologies along with the associated force designs for improving and maintaining readiness, designing and conducting training, and aligning the required logistics investments.

Filing Written Statement: Pursuant to 41 CFR 102–3.140d, the Committee is not obligated to allow the public to speak; however, interested persons may submit a written statement for consideration by the Board. Individuals submitting a written statement must submit their statement to the DFO at the address listed above. Written statements not received at least 10 calendar days prior to the meeting may not be considered by the Board prior to its scheduled meeting.

The DFO will review all timely submissions with the Board's executive committee and ensure they are provided to the specific study members as necessary before, during, or after the meeting. After reviewing written comments, the study chairs and the DFO may choose to invite the submitter of the comments to orally present their issue during a future open meeting.

The DFO, in consultation with the executive committee, may allot a specific amount of time for members of the public to present their issues for discussion.

Public's Accessibility to the Meeting: Pursuant to 5 U.S.C. 552b and 41 CFR 102–3.140 through 3.165, and the availability of space, the open portion of this meeting is open to the public. Seating is on a first-come basis. The Antlers Hilton is fully handicapped accessible. For additional information about public access procedures, contact LTC Stephen Barker at the telephone number or email address listed in the **FOR FURTHER INFORMATION CONTACT** section.
