SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–96799; File No. SR–DTC–2023–001]

Self-Regulatory Organizations; The Depository Trust Company; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the Clearing Agency Risk Management Framework

February 3, 2023.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b–4 thereunder,² notice is hereby given that on January 30, 2023, The Depository Trust Company (“DTC”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the clearing agency. DTC filed the proposed rule change pursuant to section 19(b)(3)(A) of the Act³ and Rule 19b–4(f)(4) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Clearing Agency's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change amends the Clearing Agency Risk Management Framework (“Risk Management Framework”, or “Framework”) of DTC and its affiliates, Fixed Income Clearing Corporation (“FICC”) and National Securities Clearing Corporation (“NSCC,” and together with FICC, the “CCPs” and the CCPs together with DTC, the “Clearing Agencies”).⁵ Specifically, the proposed rule change

would amend the Risk Management Framework to (1) update the description of the dashboards used by the Clearing Agencies as internal performance management tools to measure the effectiveness of their various operations; and (2) clarify and revise the descriptions of certain matters within the Framework and correct errors in those descriptions, as further described below. The proposed changes would update and clarify the Risk Management Framework but do not reflect changes to how the Clearing Agencies comply with the applicable requirements of Rule 17Ad–22(e), as described in greater detail below.

II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the clearing agency included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The clearing agency has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Clearing Agencies adopted the Risk Management Framework⁶ to provide an outline for how each of the Clearing Agencies (i) maintains a well-founded, clear, transparent and enforceable legal basis for each aspect of its activities; (ii) comprehensively manages legal, credit, liquidity, operational, general business, investment, custody, and other risks that arise in or are borne by it; (iii) identifies, monitors, and manages risks related to links it establishes with one or more clearing agencies, financial market utilities, or trading markets; (iv) meets the requirements of its participants and the markets it serves efficiently and effectively; (v) uses, or at a minimum accommodates, relevant internationally accepted communication procedures and standards in order to facilitate efficient payment, clearing and settlement; and (vi) publicly discloses certain information, including market data. In this way, the Risk Management Framework currently supports the Clearing Agencies' compliance with Rules 17Ad–22(e)(1), (3), (20), (21), (22)
