Information pertaining to FFLs who may contact the NICS is being collected to manage and control access to the NICS and to the NICS Electronic (E-Check), to ensure appropriate resources are available to support the NICS, and also to ensure the privacy and security of NICS information. More information can be obtained at <https://www.fbi.gov/services/cjis/nics>. The proposed 2025 revision to the form captures four new fields. The first two fields ask for the FFL's date of birth and mother's maiden name for security measures. An additional question is asked if an FFL operates in a point of contact (POC) state. If the FFL answers in the affirmative, the FFL is asked to initial to

acknowledge use of the FBI NICS for authorized purposes only so they may avail themselves of the additional resources for FFLs from POC states as they become available.
