Proposed Projects: Conduct an electronic survey of 2012-funded Family Connection grantees to collect process evaluation data to include as part of the Cross-Site Evaluation.

Title: Cross-site Evaluation Survey 2012 Family Connection Grantees.

OMB No.: New.

Description: In the interest of providing as complete an evaluation

report as possible by the end of FY15, the Children's Bureau has directed the contractor conducting the Cross-site Evaluation to adopt the most efficient means possible to collect process evaluation data from grantees. The proposed electronic survey will replace originally planned in-person and telephone discussions with electronic surveys. This will enable collection of key information on project design, implementation, maintenance, and sustainability from key grantee representatives in an abbreviated amount of time. The quantitative nature of the surveys will enable rapid data analysis and reporting.

Respondents: The Cross-site Evaluation addresses a total of

seventeen (17) Family Connection grantees. Four categories of participants will be surveyed: Project Leadership, Service Providers, Project Partners (public child welfare and community agencies), and Evaluators. For each grantee, an average of 20 respondents is anticipated: 4 project leadership, 9 service providers, 2 public child welfare agency representatives, 2 community partner representatives, and 3 evaluators. These numbers of participants, per category, are used in the table below to calculate the number of respondents, across the 17 projects to be surveyed. Differences in burden estimates for the different instruments reflect the number of questions in each.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Project Leadership Protocol	79	1	.75	59.25
Service Provider Protocol	153	1	.5	76.5
Public Child Welfare Partner Protocol	34	1	.25	8.5
Community Partner Protocol	34	1	.25	8.5
Evaluator Protocol	51	1	.75	38.25
Estimated Total Annual Burden Hours				191.00

Title: Request for Assistance for Child Victims of Human Trafficking.

OMB No.: 0970-0362.

Description: The William Wilberforce Trafficking Victims Protection Reauthorization Act (TVPPRA) of 2008, Public Law 110-457, directs the U.S. Secretary of Health and Human Services (HHS), upon receipt of credible information that an alien child may have been subjected to a severe form of trafficking in persons and is seeking Federal assistance available to victims of trafficking, to promptly determine if the child is eligible for interim assistance. The law further directs the Secretary of HHS to determine if a child

receiving interim assistance is eligible for assistance as a victim of a severe form of trafficking in persons after consultation with the Attorney General, the Secretary of Homeland Security, and nongovernmental organizations with expertise on victims of severe form of trafficking.

In developing procedures for collecting the necessary information from potential child victims of trafficking, their case managers, attorneys, or other representatives to allow HHS to grant interim eligibility, HHS devised a form. HHS has determined that the use of a standard form to collect information is the best way to ensure requestors are notified of their option to request assistance for child victims of trafficking and to make prompt and consistent determinations about the child's eligibility for assistance.

Specifically, the form asks the requestor for his/her identifying information, for information on the child, information describing the type of trafficking and circumstances surrounding the situation, and the strengths and needs of the child. The form also asks the requestor to verify the information contained in the form because the information could be the basis for a determination of an alien child's eligibility for federally funded

benefits. Finally, the form takes into consideration the need to compile information regarding a child's circumstances and experiences in a non-directive, child-friendly way, and assists the requestor in assessing whether the child may have been subjected to trafficking in persons.

The information provided through the completion of a Request for Assistance for Child Victims of Human Trafficking form will enable HHS to make prompt determinations regarding the eligibility

of an alien child for interim assistance, inform HHS' determination regarding the child's eligibility for assistance as a victim of a severe form of trafficking in persons, facilitate the required consultation process, and enable HHS to assess potential child protection issues. HHS proposes to make several small, technical changes to the form, including the elimination of an unnecessary paragraph and updated references to the Trafficking Victims Protection Act of

2000, as amended, to reflect changes to that law.

Respondents: Representatives of governmental and nongovernmental entities providing social, legal, or protective services to alien persons under the age of 18 (children) in the United States who are neither U.S. citizens nor Lawful Permanent Residents and who may have been subjected to severe forms of trafficking in persons.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Request for Assistance for Child Victims of Human Trafficking	40	1	1	40

Estimated Total Annual Burden Hours: 40.

Submission for OMB Review; Comment Request

Title: Objective Work Plan (OWP), Objective Progress Report (OPR) and Project Abstract.

OMB No.: 0970-0204.

Description: Content changes are being proposed for the OPR and OWP ONLY. The information in the OPR is collected on a quarterly basis to monitor the performance of grantees and better gauge grantee progress. The standardized format allows ANA to report results across all its program areas and flag grantees that may need additional training and/or technical assistance to successfully implement their projects. The following are proposed changes within specific sections of the OPR form:

Objective Work Plan Update Section: ANA has added fields for 1st through 4th Quarter (Q1,Q2,Q3,Q4) to report the results for activities within each Project Objective. The grantee may continue to add to this form each quarter (rather than to a new form), reflecting cumulative results throughout the project period instead of a single quarter.

Financial Section: ANA has added 2 questions to: (1) Provide details on any income generated as a result of ANA project activities; 2) Provide details on any changes made to the budget during the reporting period.

Native American Youth and Elder Opportunities Section: ANA has added a question to: (1) Request details on any

intergenerational activities between grandparents and their grandchildren. Finally, ANA has added a new section (last section) to the form titled: *PROJECT SUSTAINABILITY*, to: (1) Request details on the grantee's intention to continue the project benefits and/or services after ANA's funding period for the project has ended.

End of Changes to the OPR

The OWP: The information collected through the OWP is needed to properly administer and monitor the Administration for Native Americans (ANA) programs. The OWP assists applicants in describing their projects' objectives and activities, and also assists independent panel reviewers, ANA staff and the ANA Commissioner during review and funding decision process.

Changes Specific Sections of the OWP

Problem Statement: ANA added a field for applicants to include the problem statement they identified in their grant application.

Position Performing the Activity: On the previous OWP, ANA requested applicants to identify the position responsible for each activity. ANA has changed this title to "position performing the activity" and applicants are asked to identify the lead person in one column and other support persons in the second column.

End of Changes to the OWP

Project Abstract: The Project Abstract form is no longer managed by ANA.

Respondents: Tribal Government, Native Non-profit Organizations, Tribal Colleges & Universities.
