AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is rescinding the administrative review of the antidumping duty (AD) order on polyethylene terephthalate resin (PET resin) from the Sultanate of Oman (Oman) for the period of review (POR), *i.e.*, October 15, 2015, through April 30, 2017.

DATES: Applicable October 31, 2017.

FOR FURTHER INFORMATION CONTACT: Jonathan Hill, AD/CVD Operations, Office IV, Enforcement & Compliance, International Trade Administration, Department of Commerce, 1401

Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–3518.

SUPPLEMENTARY INFORMATION:

Background

On July 6, 2017, based on a timely request for review by OCTAL SAOC FZC (OCTAL), the Department published in the **Federal Register** a notice of initiation of an administrative review of the AD order on PET resin from Oman with respect to OCTAL for the POR.¹ On August 22, 2017, pursuant to 19 CFR 351.213(d)(1), OCTAL timely withdrew its request to be reviewed.²

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the parties that requested the review withdraw their requests within 90 days of the publication of the notice of initiation of the requested review. OCTAL withdrew its review request by the 90-day deadline, and no other party requested an administrative review of the AD order. Therefore, we are rescinding the administrative review of the AD order on PET resin from Oman covering the period October 15, 2015, through April 30, 2017 in its entirety.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess AD duties on all appropriate entries. Because the Department is rescinding this administrative review in its entirety, the entries to which this administrative review pertains shall be assessed AD duties that are equal to the cash deposits of estimated AD duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP within 15 days after the publication of this notice in the **Federal Register**.
