SOCIAL SECURITY ADMINISTRATION

[Docket No: SSA–2023–0040]

Agency Information Collection Activities: Proposed Requests

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law (Pub. L.) 104–13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes extensions and revisions of OMB-approved information collections, new information collections, and an information collection in use without an OMB number.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB) Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202–395–6974, Email address: OIRA_Submission@omb.eop.gov. Submit your comments online referencing Docket ID Number [SSA–2023–0040].

(SSA) Social Security Administration, OLCA, Attn: Reports Clearance Director, Mail Stop 3252 Altmeyer, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410–966–2830, Email address: OR.Reports.Clearance@ssa.gov.

Or you may submit your comments online through <https://www.reginfo.gov/public/do/PRAMain>, referencing Docket ID Number [SSA–2023–0040].

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than December 12, 2023. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. Appointed Representative Availability Portal for SSA Hearings—20 CFR 404.929, 404.933, 404.1740, 416.1429, 416.1433, 416.1540, 418.1350, 422.203–0960–NEW. As part of the appeal process, claimants can request a hearing with an Administrative Law Judge. As per sections 20 CFR 404.1740(b)(3)(iii) and 416.1540(b)(3)(iii) of the Code of Federal Regulations (Code), representatives, when asked, have an affirmative duty to provide potential availability for hearings. When the SSA schedules hearings, it usually considers the availability of appointed representatives. Historically, representatives provide their hearing availability to schedulers via telephone or email, using a process for gathering and considering representative availability that is not standardized and varies greatly amongst the regional centralized scheduling units (RCSUs).

In the Spring of 2023, SSA launched a new web-based portal called the Enhanced Representative Availability Process (ERAP) to provide representatives with a uniform, standardized, and streamlined representative availability collection process. The new web-based Representative Availability Portal (Portal) marks the next step in modernizing SSA's scheduling practices for hearings. We expect use of the Portal will result in receiving consistent structured data from appointed representatives, which will allow for a more streamlined and effective hearing

scheduling process. The Portal also meets a longstanding customer-experience request by the representative community, one of SSA's key stakeholders in the process.

This collection asks respondents to submit their availability for hearings through the Portal on a rolling, monthly basis. The respondent can be the representative or a delegated official from the appointed representative's firm or Designated Scheduling Group (DSG). The respondents will request availability five months in advance of the hearing. Respondents who chose not to use the Portal will continue to be able to submit their availability via email. Once a submission period closes, SSA will schedule the hearings. SSA will schedule hearings even if a respondent has not submitted the representative's availability.

SSA plans to roll the Portal out to all appointed representatives registered with the Registration, Appointment, and Services for Representatives (RASR) application who regularly conduct business with SSA through RASR. Respondents will need to have a mySocial Security account to use the Portal and be registered into the Portal by SSA systems. Respondents who wish to use the Portal, but who are not registered with RASR, or who do not have a Representative ID, must provide SSA systems with the necessary data, including name and SSN, to complete the Portal registration process. Portal response options will include DSG group, hearing region, availability during the period of submission, and respondent-preferred case maximums, and will allow SSA to obtain the information we require to schedule hearings for attendees.

Respondents are authorized representatives and delegated officials from appointed representative firms or DSG.

Type of Request: Request for a new information collection.

Modality of completion	Number of respondents	Frequency of response	Number of responses	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars) *	Total annual opportunity cost (dollars) **
ERAP Portal	4,000	12	48,000	20	16,000	*\$29.76	**\$476,160

* We based this figure on average U.S. worker's hourly wages; State and local government worker's salaries; and attorney representative payee wages as reported by Bureau of Labor Statistics data (https://www.bls.gov/oes/current/oes_stru.htm).

** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. *There is no actual charge to respondents to complete the application.*
