If a beneficiary is incapable of handling his/her affairs, the person or institution responsible for their care is required to apply to receive the benefit payments on the beneficiary's behalf. The payee applicant completes the form and submits it for evaluation to the district office that has jurisdiction over the beneficiary's claim file. The Black Lung Benefits Act, 30 U.S.C. 901 and its implementing regulations, 20 CFR 725.513(a), 725.533(e), authorizes this information collection. See 30 U.S.C. 936(a).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.
